PRESIDENT'S MESSAGE

JOHN DYER OAM

According to the Media reports, Australian Soccer is at the crossroads in financial and management terms.

It is so easy to be negative – being positive would demand constructive criticism by the knockers.

Our Global World and our Soccer World has to accept the challenge of change daily – we have to be adaptable to succeed.

Just one hundred years ago, the founders of the international game of Football must have also faced criticism and hurdles in the promotion of our game in South Australia.

Notable events of the time:

- Our colony of South Australia was 66 years old.
- A Memorial Tablet to honour Matthew Flinders was unveiled at the top of Mount Lofty.
- Australian Women win the right to vote.
- The Boer War ended.
- Marconi invents the Wireless Transmission and the Morse Code.
- And, for the musically minded, the hit tunes of 1902 – "Bill Bailey Won't You Please Come Home", and "In the Good Old Summer Time".

Times were tough in those early Australian Federation days – we were one year old. Just as Australia developed, based on a solid heritage foundation, our International game also prospered as did Marconi's invention to the positive communications of today.

The foundation members and supporters of the various Clubs throughout South Australia can surely be recognised this year for their unstinting commitment given to our game.

Their support during World conflicts, depression years and other adversities highlight the tremendous heritage of the developed game in our State.

Soccer Australia can boast of a Federation of State Authorities who have similar success stories. Are we to allow negative attitudes and reporting to

undermine this marvellous developed Heritage – a Heritage that belongs to our thousands of Australian players to inherit.

I believe the Challenge of Change has been accepted by our Chairman, Tony Henshaw, and our State Commissioners with a projected three year Strategic Plan.

The past twelve months has witnessed a number of significant arrangements for the Federation including the ownership of Stadium from the City of Charles Sturt to the South Australian Government, which reduced our huge maintenance and overhead costs of our World Class facility.

I would congratulate our Commissioners and especially our General Manager, Tony Farrugia, for keeping the role of the Federation above all party politics raised in Parliaments, and also in the Council and Government negotiations for the final results – a positive one for Soccer.

It gives us a clear pathway to the future, one that follows all levels of our Game to be played in the same spirit that our Founding Fathers envisaged one hundred years ago.

Our staff are to be held in high regard for their expertise and loyalty and it is essential that we all work and pull together as a Team with them to bring results.

We cannot afford to be divisive or fragmented as this will only lead to negative reporting and a lowering of our standards.

The strength and long term vision of our game is the involvement and promotion of our Juniors. Remember at all times they are the future of Soccer.

The important issues that the Challenge of Change demands, that to further the support of the Media and the crucial support of the sponsors, is to be recognised as "Total Soccer".

Remember negativity will never win a Match, and personally I like the tune of, "Bill Bailey Won't You Please Come Home".

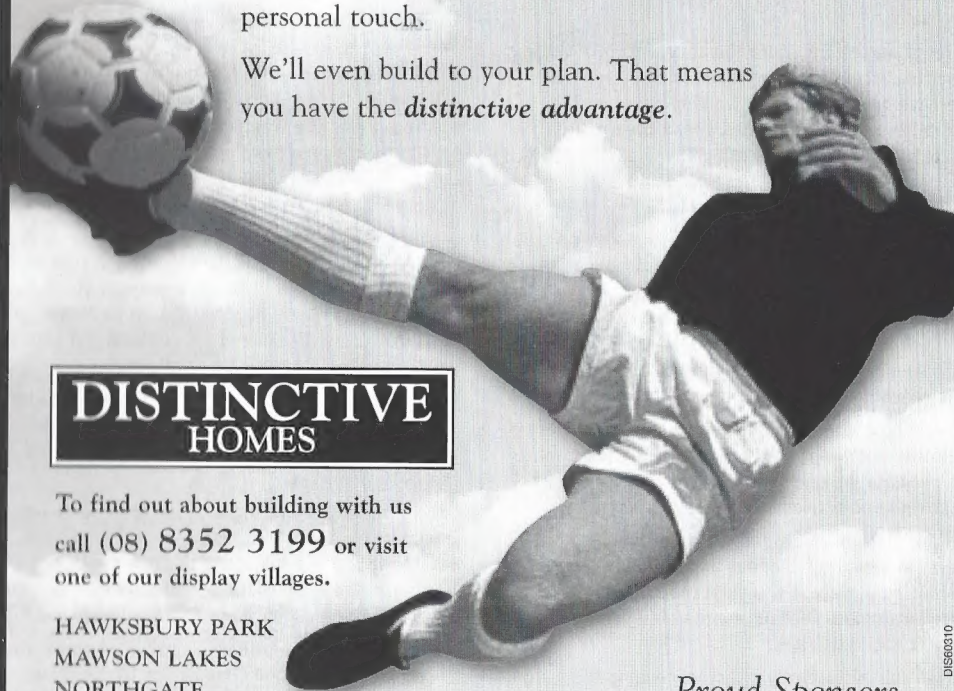

Here's to the next 100 years!

CHAIRMAN'S MESSAGE

TONY HENSHAW

After a period of some six years as a Board Member I was delighted to accept the nomination as Chairman following the resignation of Les Avory.

We have been through some tough times in recent years. While we had hoped that the outstanding issues regarding Hindmarsh Stadium had been completed, it is history now that this matter dragged on for another 12 months not allowing the Board to implement several initiatives it had planned and reported.

In September, I requested the Commission to co-ordinate a 3 year strategic plan. Greg Black took on this task with input from the Staff, Commission and Clubs.

After taking into account the comments received from the Administration, Commissioners and Clubs we have now developed a working paper for the establishment of the Strategic Plan covering the following five objectives:

- To develop a sustainable future for Member Clubs.
- To develop the Game through a Marketing Plan.
- Enhance participation by young people at all levels.
- Strengthen the game through greater co-operation and co-ordination by all stakeholders.
- Strengthen the games infrastructure in coaching, refereeing and facilities.

Having now identified the major objectives we are working closely with all stakeholders for the implementation of a number of projects to ensure that these objectives are in fact realised.

All our Clubs have a wonderful tradition. We must never lose sight of the fact that without Clubs producing players at the grass roots there will be no Premier or State League, National League or for that matter National Teams.

I take this opportunity of acknowledging the many people involved with our Clubs who voluntarily give of their time week in week out. Whether they be members of the Club Committee or those who sell raffle tickets for the club to raise funds, one thing is for certain – a club cannot survive without you.

It is particularly pleasing to me when the efforts of people in the sport are recognised and this year I am delighted that the Board has seen fit to bestow Life Membership on Ted Iuliano who served as a member of the Board for ten years and to Mike Lukovich who served as a Board member for nine years until 1992.

Upon nomination from the Playford City Soccer Club the Board has also bestowed meritorious service on a stalwart of that Club – Bob Low. Bob's contribution to that Club and the game since 1947 makes him an outstanding selection for this award.

During the past year the Federation has conducted a number of Competitions and I place on record my congratulations to the winners:

- Summer Night Series Champions – West Torrens Birkalla.
- Federation Cup Winners – Playford City.
- Premier League Premiers and Champions – Adelaide Blue Eagles.
- State League Premiers and Champions – West Torrens Birkalla.

I would also offer my congratulations and that of the Board to all award winners presented at our Annual awards night. In particular, Serge Melta Medallist, Corey Artone and Bob Telfer Medal Winner, Ric Cerracchio.

While, like you all, I was devastated by the loss by the Socceroos to Uruguay, I believe that we must now begin our campaign as a united force toward the 2006 World Cup.

Congratulations are in order to Ian Knop, who was in August elected as Chairman of Soccer Australia. I can assure Ian and his Board that the South Australian Soccer Federation shall work closely with them to ensure we realise our national goals.

Congratulations also to Basil Scarsella who was in December 2000 elected Chairman of the Oceania Football Confederation. Basil is a true friend of this Federation and the Board have extended to Basil an open invitation to attend all Board meetings as we look for his support and advice.

I must also acknowledge the support I have received

from our Clubs since my election as Chairman. This has been greatly appreciated and has given me the confidence necessary to undertake the task.

It is pleasing that we have, through these very difficult times, extended our friendships with Japanese Football and that we will see teams continue to use Adelaide as their training base.

While the financial loss reported was not unexpected, we must now closely monitor our expenses and work harder to regenerate Sponsorship and Marketing opportunities which were lost due to "other" circumstances and are necessary to fund the programs to promote our sport.

I must thank the Board of Commissioners for their support and loyalty since my election as Chairman of the Federation. Each member of the Board undertook their duties with enthusiasm and commitment for each of the tasks presented to them.

John Dyer OAM was elected as President of the Federation at the AGM in year 2000. John has undertaken his role with gusto and embraced the sport with enthusiasm. To John and his "first lady" Judy, thank you for your support.

It has been a difficult time for the Federation, so to Tony Farrugia, the General Manager and all his staff I would thank you, on behalf of the Board of Commissioners for your loyalty and dedication.

This year marks 100 years of official Soccer in South Australia. Many activities are planned including Interstate Matches, and Special events. I encourage you all to join in the spirit of the celebrations and together we will make 2002 a year to remember.

Good luck to all clubs, players and supporters for the forthcoming season and may your club be successful.

WARM UP. DRINK UP. GEAR UP.®

Warm Up, Stretch and Cool down :- Warm up with a brisk walk or slow jog for 2-3 minutes, stretch your major muscle groups followed by warm up drills specific to your sport or physical activity. To cool down after training or competition with a light jog or walk and then stretch to help your muscles recover.

Drink Up before, during and after sport or physical activity :- Aim to drink a couple of glasses of water or weak cordial before a game or training, then top up every 20 minutes during play. Drink at least a couple more glasses when it's over. Don't wait to feel thirsty before you drink.

Gear Up :- Protective equipment appropriate to your sport or physical activity should be worn at all times (training and games). It should fit correctly taking into consideration the size and age of the participant. It's important to regularly check and maintain protective equipment.

WEST END YOUR THIRST

GENERAL MANAGER'S REPORT

TONY FARRUGIA

The year 2001 has been one of the hardest your Administration has had to endure, particularly in my 11 years as the General Manager of the Federation.

At the end of 2000, we had reached agreement with the State Government over the Management of the Hindmarsh Soccer Stadium and it appeared that we could return to "Core Business". The events that unfolded thereafter dragged the matter on for another 10 months.

This in itself had a most unsettling effect on the operation of the Federation again being necessary to concentrate our efforts on anything but the Core Business and operation and promotion of the game. Many of the projects were, by necessity, put on hold while this matter was finalised.

The long awaited settlement between the City of Charles Sturt and the State Government finally took place in October 2001 allowing the State Government to ultimately settle its Management issues with the Federation.

Never before have we found it more difficult to retain the sponsors we have, let alone find new sponsors to the Federation.

However, with this critical issue now behind us, it allows us to now solely concentrate on matters 'Football' in the years ahead without the distraction or the drain on our resources.

Upon his election as Chairman in September, Tony Henshaw requested that a process be immediately put in place to identify the critical issues facing our Federation in a 3 year strategic plan. The plan, which has had input from the Administration, Commissioners and Clubs addresses the concerns of all areas of the game.

Once completed and adopted it will be important to often review the plan. The success of it will be measured by those affected by it complying to ensure its success in the best interests of all.

To assist with the drafting of the strategic plan, the Federation undertook Market Research during 2001 at various levels of the game – Premier and State League Matches, SASF Grand Final at Hindmarsh Stadium and at Junior Premier League level. The results from that Market Research were enlightening

and will be used in the drafting and presentation of the final plan.

All Federations are currently in consultation with Soccer Australia in a submission to the Australian Sports Commission for major funding in the areas of Junior Soccer participation and

retention which will ultimately benefit all Clubs and Stakeholders. We are also negotiating the establishment of a common Registration scheme and National Data Base.

The final outcomes of these two major projects will heavily impact on our 3 year strategic plan.

During 2001, we began developing our web site. Unfortunately, this has been "slowed" somewhat as we continue our negotiations with Soccer Australia and other State Federations over a national Data Base.

However, over the next two months our site will be fully developed and hopefully allow for "On-Line Registrations" of players by Clubs.

Once again, we successfully managed Training Camps for professional Japanese teams Tokyo Verdy 1969 and Consadole Sapporo. The value of these camps to the Federation are enormous and cannot be underestimated.

As well as establishing close ties with Japanese Football, these camps give the opportunity for our State Team to compete against first class competition. It should be noted that all members of the State Team give freely of their time to play in these matches and our thanks to all the players and staff is expressed.

In an effort to maintain and extend this relationship, we this year launched the "Live, Learn and Play" exchange program – aimed at developing links between local clubs, schools and councils with clubs, schools and councils in Japan.

We recently presented this program to several schools and clubs in Japan and are confident that the "Live, Learn and Play" program will become a reality during 2002.

Australian Soccer was dealt another cruel blow recently with our failure to qualify for the 2002 World Cup. After all the hype and positive publicity,

there was a real expectancy that at last our time had come. What transpired was to say the least devastating, leaving us all to ponder what might have been.

However, if we are to move forward we must put this set back behind us and commence our strategies now to ensure that we qualify for the 2006 World Cup. We cannot and must not wait. We must all unite and do whatever is necessary to ensure that we assemble a first class squad over the next four years that will see Australia represented at the world's biggest sporting event.

One bright spot out of the campaign was that the final squad consisted of no less than four players who have come through the ranks of the South Australian Soccer Federation.

Three, (Tony Vidmar, Paul Agostino and John Aloisi) all came through the Junior programs of the Federation, while Stan Lazaridis made his mark as a senior player with West Adelaide.

In December 2000, Basil Scarsella was elected as the President of the Oceania Football Confederation. Following his roles with our Federation and Soccer Australia, he is the first Australian to hold the highest posting of Football in the Oceania region. Whilst this post is recognition of the respect and esteem in which Basil is held, it should also make us all proud knowing that a local South Australian boy (who never forgets where it all began), holds such a high office in World Football.

The 2001 Premier and State League seasons were one of the closest and keenly ever contested.

Congratulations to Playford City who won the West End Federation Cup defeating Adelaide Blue Eagles for the Federation's oldest title.

The AGL Top Five Series was held at the Hindmarsh Soccer Stadium and was an outstanding success – particularly the Grand Finals which attracted over 9,000 people.

The Adelaide Blue Eagles won the title from the Modbury Jets in a most entertaining match. Since the inception of the Top Five Series playoffs in 1992 the Adelaide Blue Eagles have won six titles.

West Torrens Birkalla dominated the Home and Away rounds in the State League and apart from stumbling in the second semi final won the Championship from a determined Para Hills Knights. Both West Torrens Birkalla and the Para Hills Knights will be promoted to the Premier League in 2002.

In recognition of his outstanding season with Adelaide Blue Eagles, Corey Artone was awarded the Serge Melta Medal as the player of the year in the

2001 Premier League. Ric Cerrachio of the Northern Demons won the Bob Telfer Medal as player of the year in the State League. Congratulations are in order to both Corey and Ric – together with all the various award winners.

As outlined earlier in this report, Sponsorship was difficult to obtain due to various factors affecting our Federation. However, we place on record our sincere thanks to all those sponsors who continued to support our game during this difficult time.

The Office of Recreation, Sport and Racing continues to support our game at grass roots level through their Management and Development programs – without this support all areas of our game would be significantly the poorer.

Through this support we have been able to continue to provide exceptional Coaching and Development programs which continue to be recognised as the best in Australia.

As part of our Strategic Plan, and to improve these programs, the Board has approved the appointment of two Recruitment and Development Officers whose role it will be to visit schools and conduct clinics.

As a major new initiative for children aged 5 – 7, the Recruitment and Development Officers will launch "Goalkick" – a program aimed to recruit young boys and girls into the game in the form of a 16 week clinic/game environment. Centres will be established right through the Metropolitan and Country areas.

Also as part of our Strategic Planning process, the Federation has introduced the successful Coerver Coaching Programs into its Coaching and Development. The demand on these programs to date has been encouraging to say the least.

Media coverage of our game at Premier and State League level is often left to too few. We place on record our thanks to all the working media who have supported our game, particularly through community radio – in the hope that they will continue to support the game at grass roots level.

Our newly elected Chairman, Tony Henshaw has set about his task in uniting the whole of the sport and has wasted no time in bringing together all groups and Associations which is a vital part of the Federation's strategic plan.

Tony and all Commissioners have endured a most difficult twelve months, with some difficult decisions having to be made, however with a clear direction for the future, we can look forward to many positive initiatives coming from the Board room.

2002 is a significant milestone in the history of our game in South Australia as it marks 100 years since the first official organised match was played.

In recognition of this event the Federation has appointed a Committee, to ensure that this milestone receives the proper recognition that it deserves.

The committee (consisting of Denis Harlow, Sam Ciccarello and Tony Farrugia, under the direction of the Chairman, Tony Henshaw) is planning several activities including matches involving the State Team, production of various souvenir items, and the introduction of our own South Australian Hall of Fame – recognising the many people who have made South Australian Soccer what it is today.

The Board have appointed Denis Harlow, Jack Smith

and Allan Crisp to undertake this task and make recommendations to the Board for the nominations in the various categories.

One of the major initiatives to celebrate the 100 years will see the State Team play matches during 2002 against other States including Western Australia, New South Wales, Queensland and Victoria.

The 100 year celebrations will be highlighted by the publication of a book tracing the most memorable events that have shaped the past 100 years of Soccer in South Australia.

2002 promises to be an exciting year for Soccer in South Australia and on behalf of all at the SASF, I wish you all well as you support your Club to success in this our 100th year.

South Australia To Celebrate 100 Years of Soccer

The first meeting to establish Soccer in South Australia was held in October 1902 hosted by Mr. Frank Storr in his Tailor Shop in Gawler Place.

This meeting attracted great interest at which it was decided to form the first organised Soccer Association in South Australia called the South Australian British Football Association. Lead by Mr. Tom Holford, the Committee proceeded to make arrangements for the competition to be played in 1903.

Thus - South Australian Soccer was born. The first competition comprised of three teams - North Adelaide, South Adelaide and Woodville.

2002, then marks a very special event in the history of Soccer in South Australia - it will be 100 years since the first official game was played. And the South Australian Soccer Federation is preparing to celebrate the occasion with a number of very special events.

The Federation has appointed a Committee, headed by its Chairman, Tony Henshaw to ensure that this important milestone is well recognised right through the year.

"Our history must be recognised and celebrated and the Board has determined that this milestone must receive proper recognition", Henshaw said.

A special logo has been designed which will be placed on all official Federation publications as well as on all players strips and merchandise.

A range of limited edition merchandise will be available through the Federation's website - a must for any collector.

The Federation is also planning a number of games involving our State Team (who will be "decked out" in a special 100 year strip) during the year. An announcement will be made mid February of the matches planned in celebration of the event.

The Federation has sought the support of Soccer Australia to consider a friendly international match

at Hindmarsh Soccer Stadium in Adelaide to form part of the celebrations.

"All our competitions - including our Premier and State Leagues, Summer Night Series and Federation Cup will take on new meanings and a number of special activities are planned as part of the celebrations", Henshaw said.

"We are also pleased to endorse as part of the 100 year celebrations the proposed Festival Cup which will see youth teams from all over the world come to Adelaide and play a tournament at the Hindmarsh Soccer Stadium - Juventus, FC Bayern Munchen, Vasco Dagama, Rangers and Ajax - just to name a few".

The Centenary Year will climax with the launch of the SA Soccer Hall of Fame in November, recognising the past contributors in various categories to the game and will then be an ongoing Annual Event.

A separate committee has been formed to make the nominations to the Hall of Fame consisting of Federation Historian, Denis Harlow, former Advertiser journalist, Allan Crisp and Jack Smith - a former Australian International Player.

Harlow, is also compiling the history of South Australian Soccer in book form which will be launched at the official 100 year recognition dinner in November 2002.

"This significant milestone in the history of South Australian Soccer will be well recognised by the Federation and we welcome all Soccer Supporters, not only in South Australia, but throughout the world, for their contribution in some way".

A full detailed schedule of events to celebrate the 100 years of Soccer will be released at a special press conference in mid-February.

Footnote: All contributions to the History of Soccer in South Australia would be welcome by contacting Denis Harlow, through the South Australian Soccer Federation Office at 4A Manton Street Hindmarsh, or by ringing 08 8340 0688.

BLUE EAGLES

The year 2001 was a most successful season for the club on and off the field.

On the field we were Minor Premiers again, plus we won the championship by winning the play offs and Grand Final.

Off the field the Marden Sporting Complex, after many years of hard work, effort and commitment from the management and members is increasing its patronage. Nevertheless, the club is still looking to expand its facilities in the area of off field entertainment for our patrons.

The year 2001 again saw an increase in the crowds attending games at the superb Marden Sports Complex and it is still believed that this is due to the spectator friendly facilities, which includes the very spacious car parking areas that are now available to supporters of the game.

On the field, the club has sought to strengthen its playing squad by the inclusion of two excellent players in Michael Pirone and Jamie Perin.

A very special thanks must go to all our sponsors, especially to our major sponsor Fairmont Homes.

Best wishes to all clubs for season 2002.

Well it had to happen, Adelaide City Force missed out on the 2000/2001 final series for the first time in 12 seasons. It was one of the most disappointing years on record. Coach, Zoran Matic, said "Missing out on the final series hurt me personally and I was not happy finishing in seventh position".

The departure of Alex Tobin (Paramatta Power), Damian Mori (Perth Glory), Angelo Constanzo (Marconi Stallions) and Matthew Kemp (Spal Italy), pre-season was a blow to the Force. However Coach Matic promoted a number of youth players from the Premier League including Scott Tunbridge, Lucas Pantelis, Aaron Goulding, the Karlovic brothers, Kristian Rees, Iain Fyfe and other talented youngsters to the N.S.L. squad. New signing Ante Kovacevic (former Melbourne Knights Captain) arrived and settled in very quickly in Force's defence.

On the National scene, Aurelio Vidmar represented Australia in the Confederations Cup in Korea and Lucas Pantelis, Louis Brain in the World Youth Cup in Argentina.

Premier League 2001

During the course of the season the club was very unlucky to lose the services of very promising players; Niall Faye, Owen Filewood, Dino Paris and Daniele Lastella, due to injury. However several young teenagers were promoted from the Under 23's to fill in the gaps and the experience will be invaluable for them in the future.

The team continued the season in varied form and were required to win its last two matches of the season to qualify for the finals. A superb 2 goals to nil performance against the Red Devils set up the final match against champions Blue Eagles.

In an extraordinary game the Zebras beat the reigning champions 4-2 and progressed into the finals.

However, the Zebras were beaten 2 goals to nil in the elimination final against the Red Devils.

Neville Flounders, with his Team Manager and Trainer should be congratulated for the effort they have put into the team preparation for the 2001 season.

In closing, we would like to thank all our sponsors for your continued support, and all our hardworking committees.

ADELAIDE
GALAXY

West Torrens Birkalla Soccer Club has a proud history and in its 67 years of existence it has achieved various premierships both in state league and premier league soccer.

A name change has taken place this season and the club will play under the name Adelaide Galaxy Football Club. This means the Premier League team, under 23 and under 19 teams will play under the same umbrella "The Adelaide Galaxy Football Club".

It's important to mention that although we have changed the name, our intention is not to lose the club's proud history rather, build on that and in doing so we have retained the same colours in the newly designed shirt.

Hindmarsh Stadium

In order to further enhance its marketing potential and to attract a wider audience, coupled by aspirations of playing in the National Soccer League, the Galaxy has established a healthy relationship with the Government and the Hindmarsh Stadium management, capably lead by venue manager Mr. Peter Lang.

The launch of the new name Galaxy was a very significant day for soccer in the state of South Australia because we have another team maximising the opportunity of using the best purpose built Soccer Stadium in Australia. Also, the Galaxy has given soccer fans the luxury of using the world class facilities on a regular basis and of course, the opportunity to watch the game under cover, with 5000 seats and great viewing. Regardless of the weather forecast fans will be under cover. Hindmarsh Stadium is a major attraction in its own right and we therefore welcome all South Australians to attend our matches.

Membership/Sponsorship/Marketing

New membership, sponsorship and advertising opportunities are available at the club. A very competitive value for money package is available simply by contacting the club.

Adelaide Olympic consolidated its position in the Premier League in 2001 and successfully faced the challenge of its first year in the 'top flight' after its unrivalled success of the previous season. Olympic were a very competitive side and played an entertaining brand of football. Although they had one of the best defensive records in the league, an inability to score goals in the early part of the

season earned them the title 'draw specialists' and an absence from the finals. The young Olympic team, however, gained valuable experience under the guidance of the outstanding Branko Milosevic, who will Coach the team for the third successive year.

As part of long term strategy to structure the club in such a way that will bring about sustainable success, Adelaide Olympic decided to embark on the structured transition of its junior players to fully fledged first team players through the establishment of an "Academy of Excellence and Junior Development". Since its inception back in mid January 2001 the **Olympic Junior Football Academy** has started to gain some recognition and accreditation certainly within South Australia. Its intended purpose to develop keen young players to a standard that would enhance their opportunities at a higher level was evident with the young players that were blooded in the senior team. In 2002 the academy will expand to two academy squads, Junior and Youth, and offer 15 positions in each.

The Olympic Juniors under excellent Management and Coaching have gone from strength to strength and in 2002 some 240 juniors will take the field at Park B27 in age groups including Under 8's through to Under 17's. The club also has a Development Squad where children 6 years and under can train to learn team and ball skills.

The Adelaide Olympic Football Club is fully focused on its vision of success and with its sound Management, excellent Coaching staff and abundant talent will in 2002 play finals football.

RED DEVILS

The year 2001 proved to be somewhat of a roller coaster ride with its numerous ups and downs. However, despite the problems created by the unavailability of the grounds, last year's season was still quite successful. With the much-anticipated completion of the main pitch to Olympic standard, the "Red Devils" and its visitors will find it a delight to play on for season 2002 and beyond.

With Jan Kierno at the helm again this year, the Senior team will be looking for a bigger and better finish than last year's fifth spot.

The Under 23's, with John Panagis taking up the challenge after Maurice Natale's departure from the club, are expected to continue to be successful. Another addition to the Senior Coaching staff is Matthew Icolaro as the Under 19's Coach. He will have his work cut out for him in taking the Under 19's to another League Championship following the departure of last season's Coach Vic Piscioneri.

The Juniors were again a great success, following another record breaking number of young, enthusiastic, budding Soccer players wanting to wear the "Red Strip" of Campbelltown. The Under 17's team just missed out on achieving a "hat-trick" as age group winners of the Federation Cup by finishing as runners up this season.

The Management Committee, under the Chairmanship of Aldo Perilli, who is no stranger to the Club is looking at a number of new initiatives to develop and expand on the enthusiasm being generated by the new committee. So, to all those Red Devils supporters out there, past and present, come out and support the Committee and the players for season 2002 and beyond.

'Come on you Reds!'

THE JETS

Duane Gray has been reappointed for a club record sixth season, and has assembled a Coaching team equal to any in the Premier League. The Jets Junior Development continues to thrive and last season saw the emergence of several players through the clubs U19 and U23 squads.

There is an atmosphere of expectancy for season 2002 for these up and coming players, who coupled with the basic senior squad should see the Jets participate in another finals series.

Duane Dobson has been appointed as Club Captain for the on-coming season and is looking forward to another solid season.

Modbury Soccer Club would like to thank all their members for their continued support, and would also like to thank all the sponsors, in particular the Modbury Plaza Hotel, Car Care, ULTRA Tune, Pullman Printing and Burton Groves Real Estate.

The Jets welcome all new members to the club and are looking towards another impressive season in 2002.

The 2001 season was an outstanding success for MetroStars. In only our second year in the Premier League we finished a victorious third. Having tested the finals fever, we will be striving for the ultimate Grand Final win in September 2002.

The highlight of the 2001 season was the play-off against Modbury in the Preliminary Final. The result was not in our favour but the thrill of playing in our first Premier League final was second to none.

Our Under 23 and Under 19 teams also finished the season exceptionally well. They will both be looking towards developing further and playing off in the finals for 2002.

Congratulations to both our Women's Premier League Division and Reserve Division teams who both made history by becoming the undefeated Women's Premier competition Champions of 2001. To top off the season the Premier Division team also took out the 2001 Bailetti Cup, beating Adelaide City in the final.

MetroStars is very committed to Junior Development and we will be proudly fielding 10 teams in 2002. The Junior program has gone from strength to strength and with the dedication of coaches and parents we are seeing some exciting young talent emerging.

Special thanks must go to our sponsors, members and supporters for their never-ending support and commitment. Thanks also to our major sponsors Boffa and Russo Electrical Contractors, Bianco Building Supplies, Tripodi Group of Companies, Pesaturo Builders, House of Chow Restaurant and the Sicilia Social & Sport Club.

We acknowledge and thank our Club Patron Joe Tripodi for his continued support and guidance, our President, our Executive Committee and our support staff who work tirelessly all year round.

Our motto - "MetroStars - Building Soccer for the Future" continues to inspire the Club into reaching greater heights for our men, women and junior teams.

MetroStars wishes all the Clubs a successful 2002 season.

Season 2001 was a good year on the field for Para Hills. We finished the season in 2nd position and went on to play Birkalla in the Grand Final. Whilst we weren't successful on that occasion, and would have preferred to win, our objective was always to gain promotion and that we achieved.

Congratulations to our Senior Coach, Greg Mills, and his assistant Noel Clarke, all support staff and of course the players.

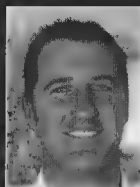

Greg and Noel have this year injected some new players into our squad and there is an air of confidence and excitement around our club. Having had some bad experiences in Premier League in the past, we go into 2002 with the determination that we are not here to just make up the numbers.

2001 also saw our U/23's win the League and our U/19's win the Grand Final of the Top Five Series. Congratulations to all concerned, especially U/23's Coach, Robert Tunbridge and U/19's coach, Dywane Hall. Dywane is having a season off and we welcome James Stockdale to the Coaching staff with our U/19's squad.

Our Junior teams again made us proud with the U/13's winning the League and our U/12's and U/15's being runners up. Congratulations to all those concerned.

A big Thank You to all our sponsors and the Salisbury Council for their continued support. I would like to wish all our teams the very best for 2002 and wish all the clubs in the Federation a successful season.

The 2001 club performance was outstanding, winning 3 Cups and 3 Leagues. Season highlight was winning the West End Federation Cup, the first time the Cup has been won by a northern club and a long wait for our supporters. Senior Coach Alby Kidd, Players, Staff are congratulated on their outstanding performance.

Alby Kidd has been appointed Senior Coach for the next two seasons. Kidd's Coaching Credentials and highly accomplished Professional Playing background makes him a strong asset to the club as we look towards continued success during the 2002 season.

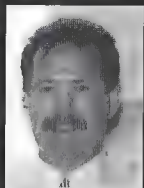

Again we proved the talent of the northern youth, the U17's travelled to Manchester and returned with Runners-up medals. They went on to take out the Cup and League. The First team was received at Parliament. The U14's won Cup and League and 3rd place in the Gold Coast Champions Cup. U12B's won Cup and League and 3rd place in the Gold Coast Champions Cup. U12B's won their League. The Senior Coach and Junior Development Officer will ensure the further development of our youth. Talented youth were given an opportunity to play in the First Team and we Congratulate Fred Agius for his recent Award. The players that are developed at Playford will be equal to any from around the world.

Patron Johnny Warren visited the club and presented Bobby Hogg with his Soccer Australia Award and induction into the Australian Hall of Fame. Other award recipients: Playford Patriots Excelsior Bobby Hogg, Patriot of the Year & SASF Meritorius Award Bob Low.

Playford Patriots thanks Patrons, VIP's, players, coaches, volunteers, supporters, sponsors and staff for their loyalty during the season and steadfast commitment to the club and to the game.

We thank the SASF for their assistance during our first season and extend best wishes to all Federation Club Members and look forward to the 2002 season.

In attack most daring, In defence most cunning, In endurance most steadfast, - we are the Playford Patriots.

THE PIRATES

For the 'PIRATES' season 2001 is one that we wish to leave behind us and to go forward from, as it was certainly forgettable to say the least.

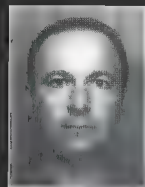

As we look forward to 2002 we embark on a new season with fresh aspirations and a positive outlook, we want to move on to our next mission, that is to rebuild our Club and strive to leave the past where it belongs.

With the appointment of Frank Pasquini as our Senior Coach for 2002 we most certainly look forward and not backward, Frank will be assisted by George Nikolic.

We would also like to thank our many sponsors for their support, as we all know that without them our task would be much more difficult.

In another positive move, from season 2002 we will play as 'PIRATES' (not Port Adelaide Lion) as we think this will enable us to better market the Club to the people that we wish to target in the future. Congratulations to Leo Maio on receiving Club Life Membership, Leo has played a total of 210 first team games, since his first senior appearance as a 17 year old in 1991. We sincerely thank Leo for his efforts and dedication to HIS club, a just reward for a true gentleman of the game, and a great role model for any aspiring young players.

Carn!!! you 'PIRATES'
Be true, in 2002

Year 2001 was a successful one for the club both on and off the field.

Playing our home games at our new facilities, Croatia Sports Centre at State Sports Park after many years of hard work, effort and commitment from management and members was a huge milestone. It is pleasing to have all the teams training and playing at the same venue.

Our clubs junior development program went from strength to strength. We were proud to see young players achieving personal goals by being introduced to the Premier League. Players like Mislav Saric, Dalibor Barisic, Adam Mehicic, George Kalagerios who will all hopefully one day go on to play National League Soccer.

The Under 23's with Michael Petrillo at the helm took out the Championship in style. Well done to the Coach and all the players for their great effort and commitment throughout the year.

This coming year 2002 is going to be a big one for the club with several new players and coaches. The appointment of the Senior Coach, Michael Petrillo and assistant Pat DeVita is further evidence of the club's commitment to developing a truly professional approach both on and off the field.

Another milestone will see the Adelaide Croatia Soccer Club achieving its 50th anniversary this year. An achievement that the club is very proud of, and will undoubtedly celebrate the occasion.

Good luck to all team players, coaches and officials for season 2002 and we wish them and every one at the club lots of success.

Many thanks to all our sponsors and major sponsors in Tudor Pavers, and Bianco Building Services for their continued support.

THE WARRIORS

White City Woodville Warriors in the 2001 season defied those pundits who under estimated the 1st team's capabilities and tipped a difficult season for one of the Premier League's youngest teams.

Lead by former Socceroo star and NSL maestro in player coach Milan Ivanovic and club stalwart, captain Bradley Armour, Beograd's youngsters confounded the tipsters with a top 5 presence in 20 of the season's 22 rounds including a couple of weeks in the top spot. The Warriors were the only team to achieve a double league victory over the perennial league champions, Blue Eagles and achieved for the first time since 1996 a rare league "double" over long time rivals, the Raiders.

Despite these successes White City was unfortunately pipped at the post for a top five spot on goal difference after the unusual delay in the conclusion of the last round of the season. Despite the potent blend of veteran experience with youthful enthusiasm, the lack of depth in playing strength near the end of the season combined with too many indifferent results against struggling teams, took its toll on the Club's playoff ambitions.

Beograd welcomes the return to the 1st team coaching position of Rocky Aloisi with his assistant Carmen Laurello. Rocky's senior experience and ability with young talent are well known. Rod Del Nido, the coach of the 1999 White City U19s Premier League champion team, also returns to Beograd as Under 23s coach while Dragan Oljaca with his overseas National League experience is the Under 19s and 17s coach.

With last season's senior squad largely intact with the addition of promising new signings, the White City Warriors will be well placed to make a concerted effort to search for League and Cup glory to replenish the trophy cabinet.

A special thanks to all the Club's sponsors, in particular, Royal Park Salvage and to all the Club workers and supporters who help make Woodville West Reserve one of the most vibrant and best supported venues in the League.

After finals qualification in 2000, high expectation and success for the 2001 season were marred by persistent injuries. However, the misfortune gave the club the opportunity to the promising youth to show their talent in league ranks and they didn't disappoint.

The appointment of Nick Pantsaras as senior coach and coaching director ably assisted by Michael (Theo) Krotiris has bought a new air of confidence at all levels of the club. This has strengthened our commitment and resolve to establish the Adelaide Cobras as a prominent and premier focal point with the South Australian soccer community as the club enters its 30th year in 2002.

The junior development foundations laid down in year 2000 is starting to bear fruit as the number of teams are on the increase and it is anticipated that an additional two junior teams will be competing in 2002. The relocation to the William Light School for junior home games has seen an improved facility with additional pitches and quality facilities which is testament to the clubs continued improvement for its junior development program.

The Committee expresses its sincere thanks to Kon Andrews and wife Marina, Robert McHale and partner Jane and the many volunteers for their hard and dedicated work to achieve the clubs junior development goals.

On behalf of the committee and members we thank our sponsors for their continued support of soccer in South Australia. We also extend our thanks to our member clubs for their hospitality over the past season.

2002 will see the Hawks continue to focus on a number of aspects of the club with the following areas receiving special attention:

- building a pitch and ground to Premier League standards and a Junior pitch at Woodside and 2 more junior pitches at Mount Barker hopefully, all 4 pitches will be in use in 2003.
- maintain and perhaps even improve our on-field performances at Senior & Junior levels.
- continue to use strategic planning days in our endeavour to improve the overall short and long term management of our club.
- further improve our relationship between Senior and Junior teams.
- to establish a Senior Amateur team.

2001 in terms of on field Senior team success reached an all time high with our State League team winning two matches and being very competitive against eventual winner Birkalla in the "Final Five Series". After a slow start our Under 23s finished the year well and only just missed out on the finals while the Under 19s reached the finals for the fourth year in a row.

Although our Senior Coach for the past five years Craig Leith has retired, he will continue to serve the club as a member of the Committee and also co-ordinate our Senior Amateur team. Craig's contribution to the club as Senior Coach was outstanding and greatly appreciated by all sectors of the Adelaide Hills Soccer Club.

Our Marketing Manager, Alex Raymond's enthusiastic and business like approach gave the club a huge boost in 2001 and with all sponsors agreeing to support the club again, we are approaching 2002 with a great deal of confidence and excitement.

Finally we are delighted with our Senior Coaching Panel led by Senior Coach Rob Thornton and supported by Terry Hayes, Mike Ginekis and Jeff Butler, and our Junior Coaches led by Junior Co-ordinator Phil Taylor.

The club is looking to the future with a great deal of optimism.

THE KINGS

The 2001 Season was a very disappointing one for the Club with the First Team finishing 11th and being relegated to the State League for the 2002 Season.

Coach Robbie Di Troia's Under 23's finished fifth. They were runners-up in the Federation Cup Final, but did not have much success in the Top Five.

Coach Ennio Luongo's Under 19's finished fourth and progressed to the semi-final of the Top Five. Well done boys.

The Coaching staff for the 2002 season will be, Ennio Luongo as the new Senior Coach, Damian Siklic will be his assistant as well as the Under 23 Coach Ercole Lattanzio will be Coach of the Under 19 team.

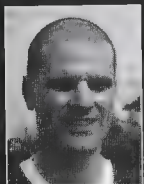

The Club is strongly committed to Junior Development, as the young players are the club's future. Season 2002 looks very promising, we expect to field 11 teams in the Junior competition.

We wish to thank all coaches, trainers, managers, players and Committee members for all their efforts in Season 2001.

2001 Club Champion - Jamie Perin
Top Goalscorer - Michael Pirone
Players' Player - Marc Woods
Best Team Man - Tony Musolino

The club greatly appreciates the valued contribution from its Major Sponsors - Croydon Foodland, Standom Smallgoods, Regency Building Hardware, Performance Industries, Di Mella Homes and our other sponsors for their continued support to the Club.

We are looking forward to a successful 2002 season with our promotion back into the Premier league and we take this opportunity to wish all Clubs the best for the new season

THE FOXES

After being relegated to the State League, the "Foxes" found life tough especially after losing 8 senior players. The club was positive and took advantage of the change by appointing Richard Preston as the Senior Coach. Richard who is technically astute was an advocate for promoting youth, and he gave many youngsters an opportunity to play first team football. The results were very good with the "Foxes"

finishing in 3rd spot after the completion of the minor round. Unfortunately, we lacked the experience required for a successful finals campaign. Our learnings from that campaign will better place us for season 2002.

Our Junior sub-committee was restructured during the season so as to better administer our growing band of junior players. Coaching Directors have been put in place to better assist the coaches and their teams for season 2002. Overall, season 2001 was successful with at least 9 players aged between 17-24 making their debut in the senior team. Cumberland United also had a very good representation at the Zone Championships played during the long October weekend. Our marketing officer, Michael Carnevale was very busy during season 2001, securing sponsorship for every junior team.

The Vixens senior team found life hard going in the Premier league but the players were always competitive. The Under 14 Vixen side had a fantastic season and everything looks promising for women's soccer at the Old Bailey Reserve.

The club sincerely thanks its major sponsor, AR Leane & Sons Pty Ltd for their continued support and also our other sponsors, Pedro Pizza, Home Mortgages Services Pty Ltd, Transport Training Centre (SA) Inc., and Ray White Real Estate. We look forward to their support during season 2002.

Finally, Cumberland United extends a warm welcome to all our new players and families who made the journey to the Foxes Den in season 2001.

Once again we were forced to approach the season with a new Senior Coach and once again the Senior Coach being offered a position as Senior Coach with a Premier League club.

Our Senior team lacked consistency throughout the season and we paid the penalty, finishing in possibly the lowest position for several seasons. However all clouds have a silver lining and once again our U/19's and U/23's excelled which bodes well for the future. The U/23's finished Runner Up in the League and lost 2-1 to Birkalla in the Top 5 Grand Final in a brilliant game at Hindmarsh. The U/19's finished fourth in the League and lost out in the Preliminary Final at Marden in another tremendous game. We have to be pleased with these two teams considering that both squads are made up of players aged from 15 years to 19 years.

This year the Senior coaching position has been given to Robbie DiTroia, an Ex Enfield City player who since he stopped playing has done very well in the Coaching Field. We wish Robbie every success in his Coaching career. Robbie will be assisted by Peter Cristarella at U/23 level after his very successful season with this Squad last year, and Ralph Pinneri as U/19 coach who is also an Ex Enfield Player. Under their guidance we are confident of having as successful a season. We must thank our sponsors for their continued support and look forward to their continued support throughout the coming season.

Noarlunga approached season 2001 with a very positive attitude.

Under the guidance of our newly appointed Senior Coach, David Leane, Noarlunga anticipated an exciting season. We made a drastic change by appointing a whole new team of coaches, who made a significant improvement with our players both on and off the field. The dedication shown by our coaching staff and players was unquestionable. Unfortunately we didn't make the Top Five due to goal difference but can still be optimistic about season 2002.

Obviously to reach our goal and to continue to strive for excellence and success, means stability is now an important issue. Hence, the reappointment of our coaching staff. I'm sure under the guidance of David Leane and with the enthusiasm and commitment already surfacing again, we can look forward to a promising 2002 season.

The Committee has once again worked tirelessly in their efforts to keep Noarlunga alive and will continue to strive for excellence and success with the help of our coaching staff, players, members and supporters. Our thanks must go to all our sponsors and to everyone who contributed in any way to the club's operations as we now look forward to another productive season.

On behalf of the "Bulldogs" Management Committee, I would like to wish all the clubs participating in the State and Premier League's competition the best of luck for season 2002.

The 2001 season was a disappointing year in comparison to the year 2000 when the club went within a stones throw of promotion to the Premier League in only its second season.

In the club's 50th year anniversary, the team finished in 6th position missing out on a finals berth in the last game of the year. Under first year

Coach Phil Amato, the team remained a formidable outfit but let itself down with its inconsistency. The U/23s again just missed a place in the finals for consecutive seasons, while the U/19s have been showing steady improvement in the clubs three seasons in the State League.

The social highlight of the 2001 season was obviously the club's 50th Anniversary celebrations held on the June long weekend. With over 450 people attending the gala ball on the Saturday night.

The Northern Demons look forward to the coming 2002 season with great anticipation both on & off the field, as the club has secured a \$50,000 government grant to upgrade our clubrooms facilities.

This has come to fruition after a lot of time and effort was put in by the club's building and management committee who are very excited about what lies ahead for the club in 2002 and beyond.

The Virtus Soccer Club extends best wishes to all teams in both Leagues for the 2002 season.

Season 2002 will mark our fourth year in the State League Competition and probably our most challenging. We have adopted a challenge for ourselves to make sure we do not rest in our quest for improvement.

"If you always do what you've always done, you'll always get what you've always got."

As a result we have changed our philosophy on a number of fronts and employed some excellent new coaches to help the incumbents Gary Price and Keith Rowling and drive us towards the position in the table we have planned since our inception.

While we will not expect to attract many new players and frankly our history shows that new players do not always make the expected difference, we know it is our home grown youngsters that will be the 1st laid plank of our eventual success. 2002 will see another group of young players 1 year older, 1 year more wise and mature, making their mark in Federation Soccer.

Throughout 2002 we will invest significant sums on our playing surface, with the result in 2 years we will have a surface the envy of most. This includes levelling and irrigation as well as employing a specialist turf management consultant to bring our 2 major pitches to the best condition.

Our pre season coaching staff lead by Nick Joy will deliver a very fit squad of players right down to our 17's. Senior coaches Peter Rideout and Aldo Maricic will be able to spend the remainder of pre season setting the side for the real competition in early March.

As 2001 closes we need to remember the deeds of Brenton Fisher, Coast FM's most consistent State League player, as well as the successes of our junior section, who once again showed we are the equal of all clubs when it comes to Junior Development.

Also in 2001 we managed to complete our second tour of England and 1st to Germany strengthening old ties and making new friends. We now have 2 boys in European football academies learning their trade at the highest level. If they return to the Panthers, we will benefit significantly from their improved skills.

At Port Pirie City we believe that we have learnt a lot from a season in the Premier League last year and this year, with a new elected committee, we are sure to have a very successful season.

The appointment of John Caputo as Senior Coach shows a shift towards a more local team structure. John has very good credentials and knows the players very well. He has had a long apprenticeship and has the loyalty and respect of the players and committee.

Port Pirie City Soccer Club invites all youth to join the SPIRIT and to participate and enjoy the club's future challenges in 2002.

This year the Port Pirie City Spirit is looking forward to the support of members and also will offer additional off field entertainment.

Also this year we have a new junior development policy and with the appointment of Nicola Lucivero, as Junior Development Officer, the club has a bright future.

A special thanks to all our sponsors, especially to our major sponsor The Risdon Hotel, Porta Building and Discount City Carpets.

Some say a successful year depends on where your Senior Team finishes; if that's the case we had a very unsuccessful season. But I believe we had a much better season than our Senior teams' positions suggests.

Our Under 23's were beaten in the Preliminary Finals and the 19's were beaten by Para Hills in the Grand Final, a Game which they should have had won by half time had they taken

their many chances. This shows that the Club does have the talent amongst its Senior Ranks and is ready to take the next step. For Season 2002 a Top Five place is a must.

Last season we introduced a ladies team to the Club and they finished Runners-Up, not bad for a first effort. Congratulations to Coach Serge Cesaro for a job well done. We also started an Amateur team through the efforts of Michael Maharis & Peter Toksas and they are looking forward to a better year this year.

Our Junior teams did well on all fronts and are looking even better for season 2002.

Finally for season 2001 and most importantly, our Financial position took another step in the right direction and thanks in this area must go to Treasurer, Livia Hughes.

So it is with a great deal of excitement that we look forward to Season 2002. The talent is there, finances are getting better and we believe the only way to go is up.

Paul McKenna has been appointed Senior Coach, Ron Cooper Under 23's, Tony Gilligan Under 19's so the players are in very capable hands.

The Senior teams will also be wearing all new strips thanks to the Sponsorship from 'ALASKA FOODS' who will be the major sponsor. I would like to thank all the committee, volunteers and supporters for their support last season and ask that they show the same support for season 2002.

Season 2001 was not a good one as we had a number of key players who sustained serious injuries. The team struggled to win games due to the absence of the key players. The performance of the team for the season was not a true indication of their ability.

However on a more positive note, towards the end of the season there were some great results.

The club is looking forward to a more successful season, with Lemmy Vatsilas being appointed as the new seniors' coach. Lemmy has trained in Greece with AEK and has played National & Premier League for West Adelaide and he has also played for Cumberland Utd and Adelaide Croatia where he was Lensworth player of the year, and Adelaide City in the National League. Lemmy also played for Port Pirie Soccer Club where he was player of the year twice.

Lemmy also has 15 years experience coaching in schools and the Collegiate League with all age groups.

The Club is proud with the performance of the Juniors this season, with the under 14s winning the league.

The club will endeavour to develop and maintain Juniors & Seniors in the future.

2001 was another successful year for the club, achieving one of its goals of reaching the playoffs for the first time in its short tenure as a senior unit. That we were unable to carry the mission to completion by achieving promotion is not as big a disappointment as first seems, when weighed with the experience and exposure gained. The exercise will serve the club better in future campaigns.

Other positive moves which evolved from last season is the commitment of all the concerned parties to improving the standard of facilities at the club's home ground, which over a three year term should see the premises and playing surface radically alter, all for the betterment of the game, development and the club.

Our development, junior and senior programmes are running as efficiently as ever, with the results showing in the junior ranks with yet a further title for our budding Under 15 squad and a cup finals appearance for the Under 13's. All this augurs well for the future soccer prospects of the club at all levels. A great part of the credit for these achievements must be given to the panel of coaches who run, administer and chart the course for the soccer development at the club.

With another strong active board, the forthcoming season is anticipated with further optimism, focus and direction and all are committed to achieving further successes, notwithstanding the obstacles that may surface. The failure of the National Team to qualify for the 2002 World Cup will undoubtedly place added pressure to the sport at grass roots level and make the job of promoting and servicing the game ever more challenging. It is a challenge which no doubt will try many, but hopefully will make us all at the club at all levels better for the experience.

NASA season 2001 was dominated by Steel Utd who won the Westland Jewellers League Championship, the NASA League Cup and the NASA Association Knock Out Cup. The League Championship was played over eighteen games, Steel won seventeen of their games with the only loss being in round two when Lions beat them by two goals to one. They scored 147 goals and had 23 scored against them, finishing with a goal difference of 124. Croatia finished second with thirteen wins, Port Lincoln, in only their third season, finished a creditable third but once again Whyalla City finished on the bottom. Club Stalwart Stewart Faulds is in charge for season 2002 and City is full of hope of an improved performance.

The League Cup was played on a round robin basis, with the top teams playing off in a one game final. Croatia finished top of the round robin followed by Steel, but in the final Steel scored twice to win the trophy. In the first round of the Association Knock Out Cup, Steel beat Port Lincoln in Lincoln 5 goals to 4. Lions went to Croatia Park and scored five for a comfortable win over Croatia. In the semi finals Steel beat Wanderers and Lions beat Westlands. So the scene was set for the final day of the season Cup Final. In front of a big crowd Steel were too good and went on to win their third trophy of the season.

RESERVES

Wanderers won their second Championship in two seasons finishing three points in front of Steel, with Croatia in third spot but once again Whyalla City finished on the bottom of the ladder. In the League Cup round robin Croatia and Wanderers turned in a superb performance to win by six goals to two. The Association Cup final paired Steel and Lions, Lions with several young players on board scored a goal in each half to take out the trophy.

INDIVIDUAL AWARDS

Steel dominated the Westland Jewellers leading goalscorer award with Andy Fay scoring forty three goals, over eighteen games that is some effort. In the reserves veteran player/coach Gary Hedger scored thirty three goals, three more than young teammate Steven Cash. David Ratzlaf from Wanderers won the youth player award with fourteen votes, two more than Steven Cash. Alan Laird who has played for Wanderers for a long time, won the reserve grade award by two votes from Croatia's long serving Vince Espinoza. In the Whyalla News players player award, Kym Perone got home by two votes from Phil Cash, John Morris and Anthony Dunns. For Port Lincoln who have only been in the competition for three seasons to provide the players' player, is tremendous not only for Kym Perone but for the whole of Port Lincoln Soccer.

In the big award, the Monarch Pharmacy Addis Memorial NASA Best and Fairest player, Lions Marco Cammarota and Port Lincoln's Anthony Dunns were neck and neck with twenty votes at the three quarter stage of the vote. But over the last seven rounds, Cammarota pulled away to win the award by seven votes from Dunns and the fast finishing Gerry Docherty. Whilst Whyalla City finished bottom of the league ladder they gained some respect when they won the John Bradbury Fair Play Team award. NASA awarded three life memberships in year 2001; they went to Roger Biedenweg, Ken McCall and Glynn Shaw.

Season 2001 in Riverland soccer saw a number of teams vying for supremacy at different stages.

Barmera opened the season in great style, progressing through the pre-season Cup Competition to the final, where they faced Renmark Stars at Berri Oval. The Final was one of the most exciting games seen in the Riverland for many a year. Both sides gave their absolute all over regulation and extra time before Barmera eventually prevailed in a nail-biter.

The Premiership began with Renmark Stars taking all before them early on. Olympic and Berri were playing steady and consistently, whereas Loxton and Barmera both struggled to get on the winner's list. By the halfway mark of the season, Stars were topping the table, followed by Berri and Olympic.

From here on in, form seemed to fly out the window as the Top Four teams all began taking points off each other. With three (3) weeks left in the season, any one of four (4) teams could still lift the trophy, but Berri River Rangers, showing the consistency, resilience and complete focus of a champion, snuffed out the challenges to win the coveted Premiership Trophy.

Berri then backed up in the Top Four competition over the next few weeks. To cap off a great season for Berri, Paul Elefthiriadis topped the league goal scorers and came Runner-up in the Association Best & Fairest.

The Best & Fairest was won jointly by Renmark Olympic Captain/Coach, John Persinos and Barmera United's Leon Henderson.

Another highlight for the Riverland was the successful hosting of the State Championships (Juniors), with the Riverland being successful in the U15s.

2001 was a great year for our Association's Competitions. Our league consisted of 8 clubs with most having teams in A Grade, B Grade, Under 17, Under 14 and Under 11's. Our competitions were Modular Concrete Cup – Senior Opening Carnival, WBSA Premiership Cup – Season Premiers – A Grade, B Grade, Under 17 & U14, Shadows/Belgiorno Challenge Cup – Round Robin Competition for all Grades including Under 11.

This year the competitions were very close with the Premiers for most grades not being decided until the last few rounds, and won by as little as 2 points. In the Challenge Cup all 8 clubs were represented in the Semi-finals and 6 were still represented in the finals.

All clubs had either Team or individual winners in Year 2001 which was great to see. This showed each club had their own success, and that the Association competition was close.

We, with the patience and assistance of the SASF recommenced our "Centre of Coaching" with 60 registered players being given specialized coaching weekly or fortnightly with our Area Coach Adam Hodge and special visits from Jeff Napier. Our juniors competed in both the State and Country Championships with mixed results for the teams and some individuals. Congratulations must go to the following: Simon Covedale – International, Ethan Parsons – Blue Lake, Daniel Bronca – International, for their individual successes. The Association awarded one Meritorious Award this year and it went to Linda McRobert for her work with Blue Lake Soccer Club, International Soccer Club, Western Border Select Squads and the board of Western Border Soccer Association.

On the whole the workings of the Association progressed quite smoothly this year and the Board has commenced work on compiling the Association's records onto computer from the years gone by.

COLLEGIATE SOCCER LEAGUE REPORT

MICHAEL HIHIMANIS - CHAIRMAN

The Collegiate Soccer League (CSL) is an associate member of the South Australian Soccer Federation, and it comprises of teams nominated by Universities, Colleges and High Schools, which have been accepted by the CSL council.

Collegians, who defeated University of South Australia Adelaide Comets 2-0 in the final.

• **Division B1 League Championship** was won by **Rostrevor Old Collegians**, which won fifteen (15) matches and scored sixty

(60) goals (conceding only eighteen (18) goals) during their reduced nineteen (19) match home and away season. The Runner-up was Unley High School Old Scholars.

• **Division A2 League Championship** was won by University of **South Australia Wanderers**, which won sixteen (16) matches and scored ninety-six (96) goals during the regular twenty-one (21) match Home and Away season. The Runner-Up was Pulteney Old Scholars.

• **Division A1 League Championship** was won by **University white**, which won fifteen (15) matches and scored fifty-five (55) goals (conceding only thirteen (13) goals during their reduced nineteen (19) match Home and Away season. The Runner-up was Mercedes Old Collegians.

• **Collegiate Cup**, played at Hindmarsh Stadium as a curtain-raiser to an Adelaide City Force Soccer match, was won by **Rostrevor Old Collegians A**, who defeated **University white A** 4-3 in the Cup final.

Finally, I would like to congratulate the Collegiate Soccer League on yet another dynamic, successful, and enjoyable season, and sincerely hope that the 2002 CSL season will be one of good sportsmanship and outstanding Soccer for all of the players and their respective clubs.

The objectives of the CSL are to promote, organise, control, and encourage good sportsmanship in Soccer matches and Competitions for Students and Graduates of Universities, Colleges and High Schools.

The CSL was formed in 1981, with four clubs fielding eleven teams in one division of which seven teams were previously playing in the SASF Metropolitan 2nd and 3rd divisions.

Since its inaugural year, the CSL has expanded, welcoming more clubs and their respective teams. Last year saw a League Competition comprising **Thirty (30) Teams**, which was split into **Three (3) Divisions** from the start of the season. There were **Eleven (11) Teams** in each of **Divisions A1 and B1**, and **eight (8) teams** in **Division A2**.

Each year traditionally begins with a pre-season carnival, with all clubs invited to participate in a one (1) day tournament. As well as the League Championships, the Collegiate Cup is contested with teams playing each other in a Knock - out competition each season culminating with the Cup Final.

I would like to congratulate all of the 2001 season's Trophy winners. They are as follows:-

- **Pre-season Carnival** was won by **Mercedes Old**

Coaching Courses

During the 2001 year the department has run a record number of courses. Junior, Youth, Senior and State licences were held and excellent numbers were in participation.

We have worked hard during this year to modernise the courses and to educate new presenters. Jim Selby ran an Instructor's course during his January visit and this was well attended.

Our plan has been to deliver the courses with more use of video and overhead projections. This has proved very popular and we have had excellent results.

New presenters who have been used on the courses include Airtion Andrioli, Alby Kidd, Glenn Dods and Elvis Markov. These four have been accredited at Youth Level and have all proved worthy recruits for the Federation.

Jeff Napier has also been elevated to Youth level.

Brenton Hiern and John Mundy worked on the State and Senior licences and have subsequently been elevated to Senior Instructors. They will join Zoran Maricic and Sam Miskelly on this level.

This new group of presenters has put a breath of life into our courses and their open-minded approach and knowledge of modern trends will benefit all who attend the courses.

Our State licence course in January was of a very high standard with Jim Selby and Les Scheinflug in attendance. SASF instructors Brenton Hiern, Chris Terpcou (Goalkeeping) and Alby Kidd all assisted myself on the course.

A national Goalkeeping accreditation scheme is being tested over the next few weeks and we will be ready to introduce this accreditation to our syllabus.

We have also begun our Introduction to Coaching Courses with several pilot courses planned for the near future. These seem to be appealing to country areas as they can be converted to a junior licence later down the track

Accreditation and Licences.

During the months since the end of last season we have worked hard to make sure that the clubs are adhering to the Commission's directives on accreditation.

Our main aim was to make sure that the senior positions were filled with appropriately accredited coaches. In general the clubs have backed the initiative and at the end of the season 90% of club coaches were accredited to the recommended level.

The board of the Federation has recently adopted an updated proposal from the Coaching Department and this initiative will make the accreditation pathway clearer.

The Federation is creating a web site, which will assist in circulating coaching information to the registered coaches. We have also contributed to the development of the resource library at the South Australian Sports Institute where a growing list of videos is available.

Country Areas

The extensive coach and player development work in the country areas is beginning to show results.

The Riverland has been particularly successful and area coach Steve Poutakidis must be congratulated.

The Riverland had four players in the Under 14 development squad which toured Singapore and has representation in the SASPSA state team.

One player each from Port Pirie and Western Border also made the squad. Steve also made the trip as assistant coach.

The Federation has appointed Adam Hodge to the position of area coach of the Western Border replacing the successful Jeff Napier who returned to Adelaide. Adam is a high quality former player who will add value to the education of the local players.

The Federation has established a development program in Port Pirie and has appointed Anthony Brevi to the position of coach. The program will be run in conjunction with the Port Pirie Junior Soccer Association and is a welcome induction into the program.

Development Squads

Under 12's

A panel of coaches joined me in the process of identifying talented players to form the basis of the under 12 development squad. A series of trials were

held in the school holidays and the state and country championships were visited to view potential players.

The squad will be named in January and will commence work in February.

Under 13's

Coach Jeff Napier has assembled an impressive squad and has worked hard to develop this talented group. Jeff was assisted by Bill Mitropolous and trainer Eddie Glink. The group has travelled to Mount Gambier and Tasmania during the year. In Tasmania the team performed very well and gave the players valuable experience.

Under 14's

Coach Elvis Markov and his staff has had a busy year, competing in the friendly games in Sydney, visiting country areas and playing a round robin series in Singapore. The squad is one of the most promising for years and is well motivated. Tony Scanlon and trainer Bertie May have assisted Elvis.

Under 15's

The under 15 group played in the national championships in Sydney. Coach Brenton Hiern and

experienced staff trainer Joe Foley and manager John Brannigan assembled a strong squad.

On the surface the team under-achieved at the championships, missing the finals and finishing in fifth position.

The team was extremely unlucky not to qualify for the finals. Needing a draw in the game against Western Australia to go through to the semis we lost 0-1, despite dominating possession. Credit must go to Brenton who prepared the team well and they played with skill and flair.

Under 16's

Experienced coach Airtion Andrioli took charge of the team attempting to lift the side from last year's poor performance.

The team was very competitive in a tough group, which included New South Wales, Queensland, Western Australia and Victoria. We beat both Queensland and Victoria but narrow losses to New South Wales and Western Australia saw us finish fifth.

Airtion should be congratulated on the performance of the team and thanks go to his team manager Phil Graham and trainer Vic Sheppard.

Regional Coaches

The regional coach education program continues to prove very popular and provides an important link to take up-to-date information to the clubs. Regular update sessions were held for the regional

coaches during the year and all the coaches attended an information seminar in Melbourne preceding the France v Australia game. Visiting French coaches lectured at the seminar as well as leading Australian coaches.

Year 7 Camp

The Year 7 Camp was held at the Police Academy from the 5th to 8th November.

Sam Miskelly was the Head Coach, admirably assisted by Airton Andrioli, Peter Cristarella and Rob Thorton.

The guest coaches Carl Maynard (Coerver SA), Lucas Pantelis (Adelaide City Force), Scott Tunbridge (Adelaide City Force) and Jason Traeger

(Goalkeeping Coach) also contributed greatly towards the success of the camp.

John Marciniak did an excellent job as Camp Manager, as did Eddie Glink the SASF Trainer.

The Camp was very well attended, with boys travelling from all parts of the State, including the Riverland, Whyalla, Port Pirie, Mount Gambier and Broken Hill.

School Clinics

School clinics continue to be popular and we have dedicated staff to service this important area. Wendy Carter and Bess Hepworth have run the program this year and our thanks go to them for their commitment. Coaches used during the year include Airtion Andrioli, Mark Graham, Louis Brain and Rebecca Morrison.

State Championships

The state championships were held on the long weekend of September 29th. For the first time country teams were entered in the Under 12, 13 and 14 age groups. This initiative proved to be extremely successful and popular, with the country boys performing very well. SASF country area coaches were recruited to coach the teams.

Due to the demand for player participation in the tournament, a central zone was introduced and added to the weekend.

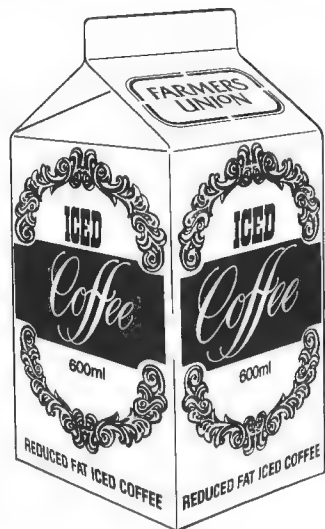

The weekend was very successful and the standard was high. A lot of work goes in behind the scenes to run this weekend and all should be congratulated.

Overall the department had a busy year in which a lot has been achieved. Many thanks go to the staff of the Federation for their support.

Administration manager John Mundy deserves a lot of credit for the success of the program for this year. He has worked tirelessly to make sure the courses and camps have run smoothly. Thanks also go to the Board of the Federation especially Norm Graham for his commitment to the department.

SASI REPORT 2001

SASI/NTC HEAD COACH - MARTYN CROOK

The 2001 program began with representatives from ten SASF clubs and saw another year of success on the international stage. Five South Australian players represented Australia at the under 17 level as the Joeys went through their qualifying and world cup commitments.

Mario Karlovic, Russell Waller, Fred Agius, Adam Van Dommele and Terry Smith all took part in the qualifying series, under new youth coach Ange Postecoglou. This competition saw the Joeys comfortably win their group. On the way they chalked up a world record score against American Samoa winning 33-0. Terry Smith scored nine goals Fred Agius six and Mario Karlovic one in this historic win.

In the qualifiers against New Zealand, Australia comfortably won 10-0 on aggregate, therefore booking a spot at the World Cup in Trinidad and Tobago.

Fred Agius, Terry Smith and Adam Van Dommele gained selection in the final squad, which saw the Joeys eliminated by Nigeria in the quarterfinals. This followed wins against Trinidad and Croatia and a narrow loss to Brazil.

Fred Agius won the FIFA man of the match award against Trinidad.

The strength and depth of the players available to Ange Postecoglou was illustrated when players of the ability of Mario Karlovic and Russell Waller were left out of the final squad. Subsequently Mario has played in the National League and Russell has signed a professional contract in England.

In the under 20 age group South Australia was represented by Lucas Pantelis, Louis Brain and Aaron Goulding. The team qualified for the finals after a tight struggle with New Zealand and was also eliminated in the quarterfinals, this time against Brazil. Lucas Pantelis and Louis Brain were named in the final squad.

SASI players Terry Smith and Evan Metanomski were inducted into the 2001 AIS squad based in Canberra.

In the local league, the team performed with the lowest average age on record, fifteen years and

three months. For the first time in six years the team missed the finals, having to wait for the result of a postponed game to be sure of our fate. The team was very competitive in an under 23 league which was the strongest for years. The competition was much closer than in

recent times and the standard of the teams was a credit to the programs being conducted at Premier League clubs.

Adam Van Dommele won the SASI player of the year with Tony Hatzis voted as the most improved. Michelle Lastella became the fourth SASI player to win the under 23 Caruso medal for the player of the year.

Former graduates continue to perform well on the National and Premier league levels with players such as Travis Dodd and Michael Cartwright performing well with interstate teams and Lucas Pantelis, Scott Tunbridge and others with the Force. Ian Fyfe followed in the footsteps of Lucas Pantelis by winning the SASF rising star award. Ian has continued his development and is now performing well in the National League.

Full credit for this year's program must go to the dedicated staff. Assistant Coach Brenton Hiern has again proven his qualities as a development coach and the program was enhanced with the inclusion of Glen Dods as assistant coach and physical development coordinator. Chris Terpcou continued his excellent work as goalkeeper coach. Manager John Brannigan and trainer Joe Foley also contributed with their dedicated work as well as masseuse Bertie May. Our tradition of assisting in the development of local coaches continued with Keith Rowling working as a scholarship coach. Keith follows high quality coaches who have worked with the program including Brenton Hiern, Duane Gray and Elvis Markov.

The program was also enhanced by the acquisition of a video analysis machine, which enables individual assessments of players in training and match play, and the new recovery centre. This enables players to recover from intense training with ice baths, saunas and all up-to-date methods.

The players were exposed to the best coaches in

the country with visits from Youth coach Ange Postecoglou, technical director Les Scheinflug and coaching and development manager Jim Selby. Lectures were conducted in nutrition, time management, dealing with the media and drugs in sport. The players also received valuable assistance from sports psychologist Steve Bannon.

Our thanks for their support to this year's program goes to SASF Chairman Les Ivory/Tony Henshaw and the Board of Commissioners. To General Manager Tony Farrugia and the staff of the Federation with special mention to coaching and development admin manager John Mundy.

Regional and state coaches Brenton Hiern, Airtion Andrioli, Elvis Markov, Jeff Napier and John Mundy for their tireless work with the development squads that feed the SASI program. Special mention must go to past coaches John Evans, Terry Hayes and Zoran Maricic who had significant influence over players mentioned in this report.

Thanks to the SASI organisation for their support to the program. To CEO Wes Battams, program manager Geof Pearce, sports science Craig Colduck, SASI doctor Peter Barnes and all others who assisted the program.

The SASI organisation is committed to a strong working relationship with the development of both players and coaches in the SASF.

It continues to support and encourage the use of the latest training techniques and physical development information in a close link with SASF regional coaches. This enables accurate and up to date information to be passed to the clubs of the SASF.

Even closer links and increased work in the country areas of South Australia are planned in the future.

Thanks also go to Soccer Australia for its ongoing support of the program, in particular Jim Selby, Ange Postecoglou and Les Scheinflug.

In such a close knit organisation where players, coaches, parents and friends work together on a daily basis, events can touch all concerned. Therefore the news of the passing of Kathy Pantelis was felt by all that knew her. The mother of one of SASI's most successful graduates Lucas, passed away earlier this year and our sincere condolences go to Lucas, Nick and his family.

JUNIOR PROGRAMMES - COACHING & DEVELOPMENT

NORM GRAHAM - COMMISSIONER

The success of Season 2000 was again confirmed with the increase of new teams into our competition for Season 2001. We welcomed an extra three new clubs plus twelve new teams making a total of 202 teams and increasing our player base to 3200 plus. These figures are again a positive guide to the growth and attraction of our programme's aims to provide a structured competition for our youngsters to enjoy and learn a world renowned sport from under 8 to under 17 years of age.

Once again our leagues were very closely contested with the league champions not being known until the last couple of weeks of the season.

The Junior Cup Finals returned rightfully to the Hindmarsh Stadium this year after the break for last year's Olympics. Hard as it may be to better the 2000 Cup Finals I must say this day was absolutely magnificent. We had games from 8.45am and ending at 6.45pm under floodlights; the quality, integrity and sportsmanship of all of our teams, coaches and officials was exemplary, a credit to their clubs, with the game being the winner on this great day. The State Zone Championships were again held at Jubilee Oval, West Lakes Shore. We reduced the age

groups this year, the oldest teams being under 15 years of age. However to offset this we welcomed back three of the country zones to our championships. All these teams acquitted themselves very well and had players identified for our development squads. SAWSA Girls once again made their presence heard and added a great dimension to this competition, attracting a

lot of interest and support. Congratulations must also be paid to our young and not so young referees for their total dedication to both our Cup Finals and State Championships. Due to the high measure of their abilities we had no controversies during either of these prestigious events.

On the development squad front our programme continues to produce high quality players with five players being identified for the next Joeys training squad after the National I.T.C. Championships held in Sydney. The State U/16 squad improved on their position of the previous year. However, although we have 3 players under consideration for scholarships with the AIS we feel we under achieved. Much the same story is apparent with our U/15 State Squad receiving plenty of individual recognition but not converting that talent into team performance.

Our younger development squads as predicted last year have started broadening their horizons with our U/13 Squad taking part in a tournament in Tasmania and hosting a tournament with visitors from Tasmania and Western Tasmania at the Parks Centre. Our U/16 Squad took part in a competition in Singapore and also the Friendly Games in NSW as part of their lead up to the 2002 National Championships. It is hoped that we will host visitors from Singapore during the coming season. Personally, I must pass on my appreciation for all the assistance, help and understanding during the past year to many people including staff of the Federation, Regional Coaching and Development staff, Junior Premier League Management Committee, Delegates and volunteers for various special events, notably Leo Pizzino and Graham Ward, ETSA Utilities, Health Promotions SA, Nippy's Fruit Juices, Charles Sturt Council, the Government of South Australia and also our grateful appreciation to our suppliers for making it possible for our timeframes and budgets to have been achieved. My thanks to the clubs, coaches and indeed everyone who helped to make this year a success.

COERVER COACHING AROUND THE WORLD

What is so special about Coerver Coaching and why have so many top coaches and players from around the world given it their backing?

This program can excite and motivate both players and coaches. It is fun while challenging. It does not have all the answers to soccer, no person has, but it does provide coaches and players with a large body of work, which does improve essential skills.

For example in Japan, Coerver have worked steadily over the last four years developing young players the Coerver Coaching way. So far fifty plus players from the various schools have gone to J.League clubs.

The World Cup in France saw the first Coerver student to make a World Cup team. Boudwein Zending, who also features in Coerver videos, played for Holland.

Zending, who was 19 at the time, signed for Barcelona, after the World Cup.

Harry Kewell went through the Coerver program in New South Wales from 11 years old and is perhaps Leeds United's top player. Brett Emerton now at Feyenoord was also a student. Another Australian boy

from the program, Mark Byrnes became at 16, the youngest player to be selected for the Australia Under 20 team.

As from 2002, The South Australian Soccer Federation are the sole franchisees for Coerver in SA, and already have reaped the rewards with one of our youngsters, Kosta Mantis being selected for the Coerver Oceania squad to play against Japan and USA later in the year.

The Coerver coaching camps and the Coerver Academy are fully endorsed by the SASF.

Further information can be obtained by contacting John Mundy at the SASF on 8340 0688.

GOALKICK

Goalkick has been designed to introduce young children into the game of soccer. It provides children with the opportunity to learn from trained staff, gain skills and confidence in a positive environment.

The objective behind Goalkick is to get children involved in the team sport of soccer at a young age. This develops team spirit, friendships, maximum participation and enjoyment and ultimately a love for the game of soccer.

THE PROGRAM

Goalkick is a junior development program targeted towards boys and girls aged from 5 years old. The program is conducted once a week, with each session running for 75 minutes. Goalkick includes skills practice, suitable for all ages and skill levels, with a game of Rooball (mini game), which consists of a modified game with six to a side. Goalkick centres can be conducted at affiliated Soccer clubs, Schools and Council venues.

Soccer clubs will host a 16-week program (including four gala fun days) at a cost of \$75 plus GST per participant. Schools etc., can have a more flexible program.

ON THE DAY

Group warm-up

- Skills drills
- Game (Rooball)
- Maximum participation opportunities for all children involved
- Children are assigned groups on the basis of age and skill level
- Parents are encouraged to assist and support participants

GIVEAWAYS

Each child registered in the Goalkick program receives:

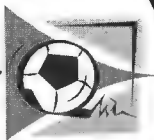

- Cap
- Mini Ball
- Water Bottle
- Certificate

Goalkick aims to develop relationships between Schools and their local club.

OFFICE FOR

RECREATION, SPORT & RACING

The Festival Cup is a unique international club soccer tournament for world class under 19 players to be staged at Hindmarsh Stadium from 3-11, August 2002, as part of the 100 years of Soccer in South Australia celebrations.

The 2002 Festival Cup tournament will feature a range of high profile world teams such as Bayern Munich, arguably the biggest side in Europe; Juventus, perennially one of Italy's glamour sides; Ajax of Holland; Scottish Rangers and the Brazilian powerhouse, Vasco da Gama. Also included are the best club team from China, and a select team from Australia. Importantly, several of these teams have never toured Australia before and others have played here many years ago.

The Australian team will be selected through a unique talent identification campaign, promoted by a national television network soccer program. Entrants will enter the promotion by submitting a videotape of a recent match and a brief playing history which will be initially reviewed and culled by a panel of experts. Trials will be held in each state with a final squad of eighteen (18) players selected to form the Australian club team. The new team will come into camp two weeks prior to the Festival Cup.

The tournament competition will be divided into two evenly matched groups of four teams. Each group will play preliminary round double header matches on alternate nights. The top two teams from each group at the end of the preliminary rounds will progress to the semi and finals to be played on the last weekend of the tournament. The top four finishing teams will receive prizemoney and all participating teams will receive unique one off medals designed by the Internationally recognised artist Nick Mount.

The objectives of staging the tournament and the resultant benefit to soccer are:

- Showcase top quality traditional powerhouses of international club soccer to the South Australian and Australian public;
- Expose more junior players and coaches to high level competition on a regular basis;

- Establish role models and direction for younger players with a view to reducing the attrition rate of players in their early teens;
- Establish links with overseas clubs to open up playing opportunities;
- Identify incremental talent and inspire them to go on to representative honours;
- Run a successful soccer tournament, which will create additional value and interest in Australian soccer for the commercial sector; and
- Increase the profile of soccer through the school system to build our base of young players.

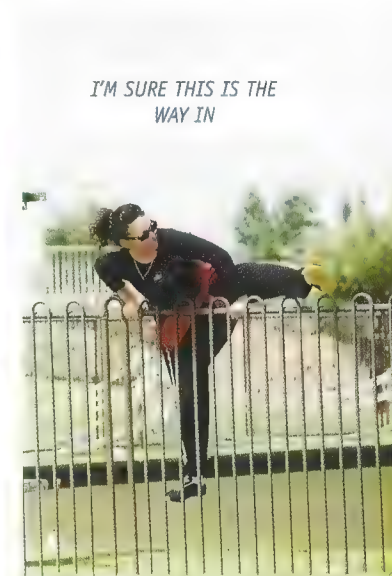

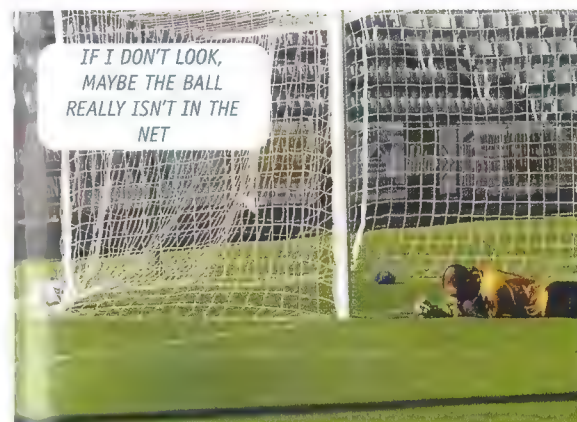

In South Australia all schools will have the opportunity to be involved in the tournament through a variety of promotional opportunities that will include prizes of soccer equipment, tickets to games, participation in the opening and closing ceremonies, and attendance at coaching clinics.

A Multi-Cultural Youth Festival will be held in and around the stadium on the first weekend of the tournament. It is intended that the cultural festival will celebrate and highlight team nationalities and cultures and demonstrate the power and presence of the 'world game'. Monies raised by The Festival Cup during the cultural festival will be donated to the Multicultural Communities Council of SA for use in their youth scheme programs.

A Festival Cup Masters competition (over 35s) will be held concurrently with the Festival Cup and staged at various metropolitan club venues. This parallel event will offer an opportunity for local players and domestic and international visitors attending the Festival Cup to participate in and further enjoy the tournament.

The tournament promoters are excited that the inaugural Festival Cup will be held during South Australian Soccer Federation's Centenary Year celebrations and the Federation is to be congratulated on this fabulous achievement.

It is anticipated that The Festival Cup will be a major sporting event of South Australia and Australia that will draw unique international tourism and sporting attention to Australia and the region and become a major event on the international soccer calendar in years to come.

SA SCHOOLBOYS SOCCER 2001

JOE LARECKI – COACH SASSA

Gosford, NSW was the venue for the National Schoolboys Championships, held in August under very clear skies and warm weather. The standard of play throughout the week was very high. South Australia was reasonably successful considering we took away a side consisting of very young and inexperienced players, though this was not reflected on the scoresheet. Some players had only U-19 experience at Club level whereas in past years almost all team members had some League experience, be it at Premier or State League level. However, we were always competitive and never looked out of place, even against the very best and the lads returned home better and more accomplished players. We were always capable of scoring goals, or at the very least creating numerous opportunities in all games. However, our inexperienced squad had lapses in concentration at crucial moments and this proved costly. The work-rate was good throughout the week but luck deserted us in front of goals. This is evident by the fact that Frank Clemente hit the woodwork twice in the same game against NSW. John Tsianos struggled with an ankle injury, sustained before departure, and this restricted him considerably throughout the week. The Championships was a positive learning curve for each individual present and can only further develop their soccer repertoire. Three players from the previous squad were used as a benchmark for our selection process. These players, Simon Bernardino, Toby Nelson and Michael Di Biase were again selected and performed admirably, particularly Bernardino whilst displaying leadership qualities throughout the week. The SA team was competitively led by Simon Bernardino, always an inspiration and support both on and off the field. His maturity, work ethic and obvious skill won him a place in the Australian Schoolboys team. Toby Nelson and Steven Pirone were joint vice-captains. All players are very capable and most should do well in the Premier League very soon.

Our thanks go to everyone associated with the Championships including:

- SASSA and SASF for their assistance and continual support,
- Martyn Crook and SASI for positive input and assistance,
- Adelaide City Soccer Club for the use of its facilities,
- Windsor Gardens Vocational College for the use of its ground,
- Adelaide High School for the use of its facilities,
- All players, officials, sponsors and supporters.

SA STATE TEAM

LEARNING CURVE FOR STATE TEAM

The S.A. State Team played only two games in 2001, which was in stark contrast to the eight games played in the previous year.

The State Team's opponents in 2001 were:
Verdy Tokyo 1969
Consadole Sapporo

The South Australian officials for those games were:

Coach: Mike Barnett
Asst Coach: Jim Karabatsos
Team Manager: Denis Harlow
Trainer: Peter Duke
Gear Manager: Joe Janko
Team Doctor: Dr. Joe Terminello
Commissioner: Norm Graham

After some extremely good results against the visiting Japanese teams over the past few years the State Team came back to earth with a resounding thud, when it lost both games to the visitors in 2001.

As always though, these games were extremely beneficial in improving the standard of the game in South Australia and to the players as it gave them the opportunity to play at a higher level and against first class opposition.

Both games were played at Hindmarsh Stadium with evening kick-offs and the speed of those games as against what the players are used to in the Premier & State Leagues was electrifying and for those spectators who went to the games, they were treated to an extremely high standard of play.

BILL TATTERSALL – STATE REFEREES COACH

FIFA Continues Positive Developments

Since the mid 1990s FIFA has promoted subtle but significant changes designed to promote a positive game. Many of you will recall that in the past close decisions generally were given in favour of the defending team. Referees are now instructed to give those very hard to make decisions to the attacking team. Examples include those impossible to determine throw ins, now given to the attackers, and the difficult to call goal kick/corner kick decisions which should now be awarded as a corner kick. Hairline off side calls can now be ruled in favour of the attackers and play should be permitted to continue.

This positive trend is also evident in recent directives to referees that a player fouling an opponent in order to deny an obvious goal scoring opportunity should be sent off. The same philosophy was also behind the recent introduction of the ban on a goal keeper handling the ball after it had been deliberately passed back by a team mate.

2001-2 Law Changes, Interpretations, and Directions

Holding and Pulling Opponents' Clothing

The International Football Association Board (IFAB) is the Body responsible for the Laws of the Game. Its thrust, too, has been the encouragement of positive

and attacking play. Following its 2001 meeting it issued a mandatory instruction to referees that any player guilty of blatantly holding and pulling an opponent's clothing must be cautioned (Yellow Card) and the team punished by the award of a direct free kick to the opponents – a penalty kick if the offence occurred in the opponents' penalty area.

Players with Disabilities

Laws covering the size of the field, the ball, the size of the goals, length of games and the number of substitutes can now be amended by local Associations for players with disabilities.

Issuing Cards

The IFAB has clarified that only players and substitutes (not team officials) can be shown red or yellow cards. They have also directed that a player who is sent off must leave the vicinity of the field and the technical area.

Golden Goals and Kicks from the Penalty Mark

It is now common for matches ending in a draw and needing a result to use the Golden Goal technique. This method is now given official status and appears as part of the newly named *Procedures to Determine the Winner of a Match*, following Law 17 in the law book.

Celebrating Goals

In 1996 the IFAB instructed referees to caution players who removed their shirts to celebrate a goal. The Board has now relaxed this instruction and players now should not be cautioned unless the celebrations are considered by the referee to be provocative, intended to ridicule their opponents or the opposition spectators, or the cause of excessive time wasting.

IFAB Experiments

We have seen games from England and Scotland using the trial rule that the ball can be moved 9.15 metres closer to the opponents' goal line if the opponents attempt to hold up the restart of the game. This trial is to continue for another season and will then be reviewed. The ball now cannot be moved beyond the edge of the penalty area. This trial only applies in specified English and Scottish competitions. It does not apply to our competitions in Australia.

Spectacles

Young players in particular are being permitted to wear recently developed and relatively safe sports spectacles. Although referees still have the final decision on the safety of players' equipment they are being encouraged to permit the wearing of

glasses employing the latest technology. It would be wise for players to provide a written statement from their optometrist or medical practitioner certifying that the sports spectacles are safe to both the player and opponents.

Artificial Surfaces

FIFA permits the use of artificial surfaces in games other than the World Cup Finals. They are continuing to support the development of surfaces suitable for harsh climates or for indoor stadia. Many of the successful surfaces are a mixture of grasses and artificial materials.

Two Referees

Games have been held in some countries using 2 referees plus the usual 2 Assistant Referees. The experiments have had mixed success (a shortage of qualified referees has been a major draw back) and have now ended without any likelihood of the experiment being sanctioned for use anywhere in the world.

Referee Developments in South Australia

There are currently four metropolitan Branches of the Australian Soccer Referees Federation in Adelaide. Elizabeth and Districts, and SRA Noarlunga mostly service the junior competitions in those areas. The SA Amateur Referees Association members officiate in the Amateur League's competitions, whilst the Federation Branch services the SASF competitions. It continues to be difficult to recruit and retain referees. However, each Branch has a Referees Coach and has made rapid strides in the provision of coaching programs and upgrading courses to support their members. The State Coach meets frequently with these Branch Coaches to share the latest materials developed locally or made available by the National and State Coaches. Coaching visits are made to all metropolitan Branches and to all referee Branches or groups in Mount Gambier, Port Pirie, Jamestown, Whyalla, the Riverland and Adelaide Hills.

Federation Branch

These members provide their services to the Senior, and some Junior, SASF competitions. They are supported by Inspectors (mostly ex referees) who have undertaken formal preparation for their role as assessors and coaches to their colleagues. The Inspectors are a crucial component in the continuing professional development of our officials. They provide detailed reports and running sheets for referees. These contain a summary of the significant incidents in each game and comments about the referee's personality, physical fitness, movement and positioning, interpretation and application of the

laws, performance of other duties, and the application of discipline to offending players. Much of the advice is based on National recommendations and guidelines. Over \$12,000 was spent in 2001 on this activity, paid for wholly by the referees from a levy imposed on their match fees. This extensive financial contribution is a measure of members' serious commitment to their development as match officials. All members are required to attend physical training and coaching to be eligible for appointments. They must also provide an annual medical clearance and pass a Cooper's Test of physical fitness.

FIFA Officials

Members can seek promotion to national and international status. We are familiar with their work officiating at Adelaide City Force NSL games and at interstate NSL games. The Federation is proud that it has 3 members who have been placed on the FIFA Assistant Referee panels in 2001. Michael Parry retired from this panel at the end of 2001 having represented South Australia and Australia at such prestigious tournaments as the Under 17 World Cup. Matthew Cream and Airlie Keen have been renominated to the AR panel for 2002 and await confirmation from FIFA. Matthew's highlight was his trip to Tehran to officiate in front of 120,000 spectators at the World Cup qualifying game between Iran and Saudi Arabia in August 2001. He also officiated at the Oceania Club Championships in PNG. Airlie was an official at the Women's Australia Cup, contested by Australia and France in NSW and Queensland.

CHRIS KING, REFEREES RECRUITMENT & DEVELOPMENT OFFICER

In relation to Referees Recruitment & Development, Year 2001 capitalised on the success of the previous initial year of operation. Many of the successful programs and courses conducted in 2001 were firsts for South Australia and some were firsts for Australian Refereeing. The success was only achieved by the tremendous support of those who assisted and participated throughout the year and if this support continues into year 2002, even greater things can be achieved.

The year started with a visit by Gary Power the National Coach. The Referees' Annual Seminar held at the Education Development Centre was presented by Gary and Bill Tattersall the State Coach. An Inspectors' Refresher Course was also conducted by the two Coaches during the visit and was attended by Inspectors from all four metropolitan Referee

Branches. This was the first occasion a course of this type has been conducted in South Australia. A full Inspectors' Level 1 Course was run later in the year and one of those who attended the course was a referee from Alice Springs who wanted to be a part of the development of refereeing in his area. The development is not just focused on those who 'blow the whistle' but is aimed at all those involved in refereeing.

In addition there was a very successful Talent Acceleration Program (TAP) held which was attended by representatives from the metropolitan Branches. Another first for the State. Eighteen referees of various ages and levels of experience took part in the program, which will see many of them move to their next level of refereeing and beyond. The support given to this program by WT Birkalla cannot be understated and was greatly appreciated. Representatives from the four Branches again worked together at the Junior Premier League Zone Championships. A total of sixteen referees officiated over the three days.

Regional visits were undertaken to Whyalla, Jamestown, Port Pirie, Renmark and Mt Gambier. The State Coach, Bill Tattersall and the Referees' Recruitment & Development Officer, Chris King, conducted Introductory courses in three of these locations, which assisted in improving the quantity of qualified and accredited referees regionally. Port Pirie now provides the only satellite member of the Federation Branch, Dean Paulauskis who during 2001 officiated at Premier and State League games in both Port Pirie and Adelaide. The opportunity was taken during these visits to conduct various development programs with the local referees who appreciated and learned from the training.

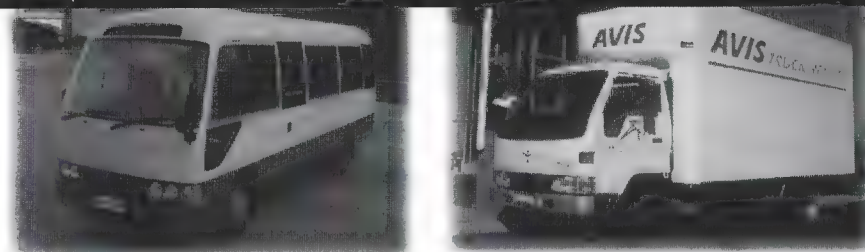

An achievement which falls into the category of recruiting is the substantial increase in the number of people put through the Introductory Courses during 2001. A total of 14 courses were conducted in metropolitan and regional South Australia with a total of 126 candidates being successful. Disappointingly figures show that of these, only 34 became qualified referees and joined one of the Branches.

With the appointment of the RR&DO to the State Officiating Task Force, the Referees input into officiating does not stop with our Game.

Optimism reigns supreme in the World of refereeing for 2002.

NATIONAL FUTSAL CHAMPIONSHIP SUCCESS IN SYDNEY

Two teams consisting of Under 12 and Under 15 Boys were selected to represent the SASF and South Australia at the National Futsal Championships held at the State Sports Centre in Homebush Bay in New South Wales in January.

The Under 12 Futsal State team Coached by **Tony LaScala** and **Ray Grima** won the Under 12 Competition, winning 4 out of their 6 matches leading up to the finals against Queensland, Qld Red, ACT "A" & "B" and losing to the two NSW teams. The team made it to the final by beating ACT "A" for the second time in three days 6-5, who incidentally hadn't lost for the last three years, and meeting and winning over the New South Wales "A" team in the Grand Final 5-4 on the Golden Goal Rule making them the first S.A. Futsal State team to pick up a winning trophy at the Nationals.
Congratulations to all the players and Coaches.

The Under 15's team who ended up playing in the Under 16 State Competition showed a lot of promise and managed to hold their own against older opposition who had been together for a longer period of time. Under the leadership of **Greg Kalinovic** and **Rob Pepicelli**, we are sure that they enjoyed the experience and that Futsal has played a big part in their future Soccer career development.

Futsal Referees **Tops Miletic** and **Ray Grima** also representing South Australia at these Championships, also went very well. **Tops** officiated the Men's Final and **Ray** refereed the Women's Final.

The Futsal SA Committee continued where they left off last year holding Futsal Clinics at schools in the Northeast and for the first time introducing Futsal to the students in the North. In October, Development Officers, **Tony LaScala**, **Rob Pepicelli**, **Ray Grima** and **Greg Kalinovic** started School Futsal Competitions for boys and girls from Year 4's to Year 8's on the weekends at the Campbelltown City Soccer Club Indoor Stadium, the Magill University

Campus and for the first time at the St Jays Recreation Centre in Salisbury.

Over 700 students took part in these competitions, which was a 600% increase from the previous year. Week in week out you could see the improvement from all teams and it was great to receive all the good feedback from the schools and parents. The 7 Grand Final matches at Campbelltown, and the 3 Grand Final matches at Salisbury were all very exciting and well attended and I'm sure all the students that participated whether they were Winners or not, enjoyed and benefited from Futsal, the only FIFA Indoor Soccer Game.

The Men's Competitions at Magill and Campbelltown also to a climax with "**Blaze of Glory**" coming from behind to once again become the Magill Futsal Champions against "**The Playerz**" and the young and most improved "**Outlaws**" winning the Consolation Final. (Campbelltown comp is still in progress at time of writing).

Futsal SA will continue this year developing and introducing Futsal by holding more Clinics at the Schools and starting more Futsal Competitions around the Adelaide metropolitan area, which will lead to future State Championships. There may also be an increase in teams to take to the Nationals in January 2003 for Boys and Girls and perhaps a Men's and Women's team.

SA WOMEN'S SOCCER ASSOC.

BEV O'BRIEN - PRESIDENT

This was the first year of a new strategic plan for SAWSA—one which club representatives, coaches and players, along with the SAWSA Board have been actively involved in—my thanks to everyone who made a contribution to this plan. Centring on governance, participation, development and marketing, our plan for 2001-2003 is to:

- develop an administrative infrastructure which will underpin women's soccer being able to achieve and sustain, in a professional manner, the growth of our sport; and
- provide participation options and development pathways for **all** women and girls in our sport; and
- promote our sport in a way which encourages the South Australian community to get behind us as players, officials, sponsors and spectators.

As a board, and a soccer community, we faced a number of challenges—and took some brave steps in 2001 toward our growth and sustainability. More specifically, collectively we:

- hosted an U12 league for the first time
- exposed over two thousand girls to soccer through our development programs in schools
- created scholarship programs to encourage women to become active as coaches and referees in our sport
- trialed removing the compulsion for SASI players to play within our leagues—allowing them to focus on intensive training toward their goals of national team selection
- took positive and tangible steps towards establishing a home base for women's soccer.

We continue to build and strengthen existing partnerships with the State Institute of Sport, the Office of Recreation, Sport and Racing and the South Australian Soccer Federation—and to forge new relationships with other women's sports and likeminded organisations.

The International Year of the Volunteer provided a platform to reflect on and recognise the efforts of many people who make a contribution to our sport. In 2001 we presented two inaugural awards: a *Volunteer Award* and the *Bob Bush & Ann Gibbons Coach of the Year Award*—congratulations to Berthy May and Max Primaro our respective winners.

Following the AGM we will also extend a formal "thank you" to many other volunteers from within our Association. Without the efforts and commitment of these people, our sport would be much diminished.

Our objectives for 2002 centre on:

- Increasing participation and retention of

players within our clubs

- Developing new opportunities for women and girls to participate in our sport
- Making our home ground a reality.

Our vision for our sport must be a shared one if it is to succeed. My vision is that girls, such as my 8 year old daughter will grow up—and grow old, with soccer being as viable a sport for her as perhaps netball was for my mother. And that our sport will be able to provide opportunities for her to be a participant—no matter her age or skills, to be an official or administrator (and to enjoy that experience), or simply for her to enjoy spectating amongst a capacity crowd at Hindmarsh Stadium. I hope that this vision is our shared vision. The experiences of our home grown talent now playing in the US, Denmark, Japan and the UK tell us that all of this is possible if we believe, and if we work together.

The best ambassador women's soccer can have is you—our players, coaches, referees, administrators and supporters. A positive attitude, commitment, enthusiasm and passion for your sport is more infectious and enticing than any marketing consultant could ever dream up. I encourage you in 2002 to take positive steps—as individuals and clubs, toward this vision.

SA WOMEN'S SOCCER REPORT

WENDY CARTER - EXECUTIVE OFFICER

This time of the year always provides us with an opportunity to reflect on the year that has passed. It enables us to identify the positive achievements of the sport and to address the areas of concern.

So what has been achieved in 2001? – Certainly the results that were achieved by our state teams have not been emulated in 2001 and the focus on our National players has certainly diminished with the conclusion of the Olympic Games. However the whole focus of sport has also changed with greater emphasis now being directed at the grass roots level of sport rather than the elite. In 2001 SAWSA introduced a number of projects and policies that were aimed at strengthening the sport at a local level and also providing women with greater opportunities to participate in all aspects of soccer:

- Introduction of the 12 and Under League.
- The re-introduction of the Fourth Division into the SAWSA competition.
- The continuation of the Zonal Championships and the SAWSA Development Squads.
- The introduction of a Goalkeeper Development Squad had been talked about for a number of years and finally it came to fruition this year.
- The introduction, in co-operation with the SAWSA clubs, of Player Scholarships. These scholarships assisted players with the financial costs of playing soccer.
- In season 2001 SAWSA introduced the Player Compensation Form. Compensation guidelines were formulated to encourage clubs to develop players and to deter the unnecessary and disruptive movement of players. Therefore promoting a more balanced competition. Was the introduction of these guidelines successful? It certainly did not deter clubs from transferring players, clubs were financially compensated for the time and money that they had contributed to a player's development and more importantly all of the SAWSA leagues were enormously competitive.
- The introduction of Women's Coaching and Refereeing Scholarships. The number of women participating in coaching and refereeing has not

mirrored the increase in the number of women playing soccer. To encourage more women to become involved in these two areas of soccer, SAWSA has offered scholarships in both coaching and refereeing. 9 coaching scholarships and 7 referee scholarships have been awarded this year.

Season 2001 will always remain in my memory as the season that provided the most exciting conclusion to any year of soccer. Who would have envisaged that the last game of the season would determine the outcome in three divisions, including the Premier Division. I would like to congratulate all of the players and officials for making this a very exciting year and I do hope that many of the coaches have recovered from a very tense year.

As well as the achievements outlined above, there have been behind the scene accomplishments that may go unrecognised. The development of a home ground for women's soccer is quietly being attained. SAWSA have continued negotiations with Annesley College to develop a central venue for women's soccer. Funding proposals have been submitted to several government agencies and a draft agreement has been formulated with Annesley College. Although we are still some way off from finalising proceedings, there is certainly some very strong light at the end of the tunnel.

SAWSA's working relationship with both the South Australian Soccer Federation (SASF) and the South Australian Sports Institute (SASI) is continuing to strengthen. SAWSA is having continued dialogue with the SASF regarding SAWSA's position with the SASF and the sharing of resources to further develop such areas as coaching and development and marketing.

SASI and SAWSA have continued to work jointly on the conducting of the National League team, the Adelaide Sensation. SAWSA and SASI jointly fund this team during the National League season. To oversee the operations of this team, a management committee involving both organisations has been formulated.

The Office of Recreation, Sport & Racing (ORSR) has also rewarded the accomplishments of women's soccer through the provision of grants. In the past

three years SAWSA have been able to maintain and slightly increase the grants that they receive from the ORSR.

In reviewing all of the achievements of 2001, SAWSA has continued to undertake the many objectives that are outlined in the Strategic Plan 2001-2003. However, women's soccer is at the crossroads of its development. As I wrote in my 2000 report, women's soccer has the potential to become one of the biggest female participation sports, however this growth has to be supported by everyone involved in women's soccer.

Although more new teams affiliated in 2001, the number of players registering each year is beginning to stagnate. This was highly visible during this season with a number of Premier Division clubs and lower division clubs struggling to maintain a presence in their respective leagues.

Currently there are thousands of girls participating in school soccer, the biggest challenge

for SAWSA and its clubs is to transfer these players into SAWSA competitions. Furthermore although many new players register with SAWSA, there are many players who leave the sport after one or two years. The challenge ahead is to not only register new players but also to retain these players.

With the limited resources that have been accessible to SAWSA, women's soccer has relied upon the commitment and passion of a small band of volunteers. I would like to acknowledge the contribution of the SAWSA Board and the coaches and officials that have been involved with SAWSA State Teams and coaching and development programs. The contribution and sacrifices that all of our club personnel undertake on a volunteer basis should also be applauded. I do not envy the tasks that so many of these people take on, all for the love of the sport.

However for women's soccer to obtain the growth rate that it is capable of achieving, it

requires everyone within the sport to contribute. Currently due to the limited resources available to SAWSA, an ad hoc level of development has been achieved. With the collective resources and support of all our clubs, a strong and united approach can be obtained to the development of our sport.

This is my ninth year of being involved with SAWSA and during this time I have seen women's soccer make great strides forward that even some big sports would envy. An example of this is the increasing number of players that are being exported to top overseas competitions, Di Alagich to WUSA Pro-League, Sharon Black to the Denmark Elite Division, Kristy Moore to Fulham United, the first club in England to pay their players, Lynn White and Sam Jackson to Barnet Ladies FC (UK) and Kim Morris and Emma Wirkus to the USA College Leagues.

However we must not become complacent. The

growth in our sport will not just happen, players will not just turn up on our clubs' doorsteps, coaches will not just suddenly become accredited and available and the sport will not develop unlimited resources. The strength in our sport still remains with our clubs and the ability of these clubs to take ownership. If clubs are serious about developing women's soccer within their area, then clubs need to develop strategies to recruit and retain players. This sport does not belong to SAWSA, it is everyone's responsibility to ensure that the next generation of girls that come through our schools identify soccer as a sport for them. I would encourage all of our members to embrace the achievements that have been accomplished to date, to acknowledge the work that has been undertaken by everyone involved in SAWSA and the clubs and for all of us to aim to develop this sport to its full potential.

2001 SUMMER NIGHT SERIES

The 2000 League season concluded on August 18th 2000 with the Mutual Community Top 5 Grand Final. For most teams the season effectively concluded 3 weeks earlier with their last home & away league game. This meant that the majority of teams would see no football from July 2000 until March 2001 when the following season was programmed to start.

The clubs sent the Federation a loud and clear message "the break between seasons is too long, give us a competition over summer." The Federation's Leagues Executive Committee took up the challenge and sculptured a competition to maximize the number of games clubs play pre-season and also to utilize the 'home' of soccer Hindmarsh Stadium.

The **Summer Night Series** was born and commissioned at the conclusion of the Olympic Football Tournament in September 2000.

The **Summer Night Series** commenced on Monday the 15th of January and concluded with the Final on Monday the 12th of March. The Summer Night Series was open to all Federation clubs. 20 teams nominated by the due deadline of the 30th August 2000.

Those clubs who chose not to participate, for their own reasons, were Northern Demons, Port Pirie City, Salisbury United and the Playford Patriots.

The Tournament was simple, the 20 teams who nominated were placed into 5 groups of 4 teams, they would play each other twice in the preliminary rounds, with the top team from each group plus the best three second placed teams joining them in the knock-out quarter final stage.

The winners of the Quarter-Finals went into the Semi-Finals. The Semi-Final winners played off in the Summer Night Series Final on Monday March 12th at Hindmarsh Stadium.

VAL MIGLIACCIO

This time it was Uruguay who shattered the Socceroos 2002 World Cup dream, but local soccer supporters at least gained some sort of satisfaction with grass roots soccer.

While soccer across the Americas, Asia and Europe lure players with big money, our finest talent in this state should be commended for putting on their shirts for the good of the game.

Every premier league club had its moments of failure and success and it's a credit to the budding young men who are carrying the game forward.

The product on the park is well on its way to success.

It's now up to the administrators of each and every club and body to pull together.

Within any professional organization the buck stops at the top.

The premier league was loaded with players who gave us joy every week.

Whether you followed the fortunes of back-to-back premiers Blue Eagles or relegated Port Pirie Spirit and Croydon Kings, it was the commitment of the players that once again made the premier league non-stop entertainment, despite some primitive match conditions.

And who could forget Grand Final night?

2001 Sergio Melita medal winner Corey Artone ignited his side to a magnificent comeback after being down 0-2 at half time to Modbury Jets.

Artone fired his side back into the game with two expertly taken goals before Michael Brooks took the tie into extra time.

Blue Eagles capped off a perfect evening when Marcin Kierno fired in the winning penalty in the dreaded shootout.

Artone ended the long night by winning the Alex Hastings man of the match medal.

Some of the Grand Final Pre-Match entertainment.

And what about the burning passion of Modbury's Duane Dobson?

Whenever Dobson pulled on a Jets' shirt, you could rest assured he played with dignity.

And Nathan Day excited the punters whenever he tore down the flank aiming to score another goal for MetroStars.

Day's best arrived in round 18 when he fired in a superb hat-trick at Woodville West against a shell shocked White City in a 4-1 win.

Campbelltown Red Devils had the explosive sensations Domenic Signorello and Sam Monterosso, who at times were capable of producing stunning world class moments.

Adelaide City shone with stars of the future with defender Iain Fyfe blossoming to the next level of soccer and now playing regularly NSL in Force.

White City's Bradley Armour led the Warriors to challenging the best with solid displays of tiresome and tough soccer.

Playford's veteran keeper David Miller showed age is no barrier after he led them to a first up Federation Cup victory.

Raiders' Mimi Saric proved to be a handful for unexpected defences and is likely to move up into the ranks of a professional if he can continue to improve.

Olympic player/coach Branko Milosevic hasn't lost his spark and led the side out of the dangerous relegation zone.

Port Lion's Bill Misailidis almost single-handedly saved Pirates from relegation with his inspiring never-say-die attitude.

Croydon Kings were blessed with the dynamic duo of Jamie Perin and Michael Pirone, who despite their professionalism failed to save the club from the drop.

Player coach John Christopoulos won a new army of fans after he tried in vain to save Port Pirie Spirit from relegation.

But Christopoulos' breathtaking performances took some of the club's disappointment away.

RESUMÉ OF PREMIER LEAGUE CLUBS - 2001

ADELAIDE BLUE EAGLES (1ST minor premier - champion) -

Is it time for Blue Eagles' coach Zoran Karadzic to vacate the nest and pursue his talents at the next level? Karadzic is the most successful coach in the business by winning his 5th minor premiership since 1994 - not to mention five grand final victories. And Karadzic's mastery has proven that a team of champions can make a champion team.

MODBURY JETS - (2ND)

After pushing the Blue Eagles into extra time during last season's premier league grand final, the Jets continued to show that it was no fluke. Jets' coach Duane Gray has managed to keep team spirit

a priority. It's paid off as the club boasts one of the tightest knit squads in the league.

METROSTARS - (3RD)

The fledgling MetroStars were on the brink of relegation last season. Coach Mario Boffa has turned the club's disappointing first premier league season into a possible second year premiership. Boffa recruited well and notable signings being Nathan Day from Adelaide City Force, Dino Sordillo and Steve De Giovaniello from Port Lion. De Giovaniello dropped a bombshell and took off for greener pastures mid season, but the MetroStars appeared to grow in stature after the departure.

CAMPBELLTOWN CITY RED DEVILS - (4TH)

Under the guidance of Jan Kierno, the Red Devils have matured and gained respect in the league. Kierno has watched his youngsters, Domenic Signoriello, Sam Monterosso and Jun Udagawa become the dominating figures in a side which in the past lacked discipline. Kierno's techniques have ensured that the club continues to blood the vast array of young talent, which is booming at Newton.

ADELAIDE CITY - (5TH)

It's obvious the youngsters of City are grooming themselves for a shot at big brother's NSL side. Adelaide can play some inspiring soccer and coach Neville Flounders unleashed some great players of the future including Luke Deegan and Adriano Pellegrino. On song, City can take any team apart but a distinct lack of experience has sometimes cost them vital points. It's hoped that some of the City's players unveiled will not be discarded to interstate NSL clubs, who have very happily taken some of the cream from SA, albeit largely unnoticed.

WHITE CITY WOODVILLE WARRIORS - (7TH)

One of Australia's living soccer legends Milan Ivanovic brought his expertise to the club as player-coach. The Warriors were written off after a poor summer night series and Ivanovic was expected to go down with the ship. However, the "doctor" had all the remedies. Despite being on a tight budget, White City stopped the premier league in its tracks when it became the only club to take all six points on offer against minor premier Blue Eagles in the home and away season.

PLAYFORD PATRIOTS - (7TH)

After changing its name and colours of Elizabeth City to Playford Patriots, the club is set to capitalise

on the huge potential of soccer in the northern areas. The Patriots have finally found stability. The reappointment of Alby Kidd as head coach for a further two seasons way before the premier league season ended, confirms the club's future as sound.

RAIDERS - (8TH)

Rocky Aloisi became the premier league's second coaching casualty after round 16 when the club was still in striking distance of the top 5. Interim coach Michael Petrillo sparked the Raiders into a first up 2-1 win over Blue Eagles. However the Raiders couldn't find that type of form for the rest of the season and had a disappointing end.

ADELAIDE OLYMPIC FC - (9TH)

Olympic lost only 7 games in the 2001 campaign but could only manage 9th spot in the league, basically, because of 11 draws and only 24 goals scored. This would suggest that the goalscoring department was probably not at its best.

PORT ADELAIDE LION - (10TH)

After so many seasons at the top end of the premier league the Pirates scrambled for survival and came out of 2001 unscathed. But the Pirates endured a tumultuous season, with the loss of more than eleven senior players last year. And Greg Kalinovic was another premier league coach that was dumped before ending his contract.

CROYDON KINGS - (11TH)

The Kings settled into relegation mode from round one and couldn't get out of the slumber. Remarkably Kings' coach Phil Scardigno was sacked by the president and then reinstated by the board during a wild week in late June. With a solid squad on paper it was always thought the Kings would be good enough to claw their way back into the premier league safety zone. Unfortunately time ran out for last season's Federation Cup winners.

PORT PIRIE CITY SPIRIT - (12TH)

From the kick-off it was always going to be difficult for a country team that hardly trains together every week, to be a survivor in the premier league. Pirie has had the difficulty of having some of its senior squad based in the regional town and the rest of the teams based in suburban Adelaide. Player coach John Christopoulos did manage to bring some joy to Pirie when the side defeated some of the highly fancied premier league sides in their own backyard.

West Torrens Birkalla easily ran away with the minor Premiership and Premier League promotion.

But there was pressure on Eagles to take out the Championship in a jostle with Para Hills Knights in the Grand Final.

Birkalla kicked off its season with the stunning Summer Night Series under its belt.

While Knights won promotion after finishing second and winning a Grand Final spot against Birkalla, it was Western Strikers who stunned the State League in round 10.

The Strikers shocked Birkalla with a 2-1 victory at Camden Reserve with Anthony Perrotta and Lucky Paikos scoring the goals.

But Birkalla never came undone after its stunning loss and only dropped one more point during the campaign with Cumberland holding them to a 2-2 draw.

It was obvious that Birkalla and Knights had

secured Top 5 berths with more than five games to go, but the other three play off places were up for grabs.

Cumberland locked itself into third position with four rounds to spare with Strikers holding onto fourth spot.

To cap off a thrilling state league season, Adelaide Hills won a top 5 berth for the first time in its history after defeating Strikers 2-0 in the final minor round.

Hills snuck in the top 5 at the expense of Noarlunga.

The top 5 series kicked off with Hills surprising Strikers with a come from behind 2-1 win and set up a meeting with Cumberland in the first semi-final.

And Hills continued to make inroads towards the Premier League by knocking Cumberland out of the race.

Mark Moore (Para Hills) (front left), about to clear the ball from Kurt Wilkinson (WT Birkalla).

During the campaign, Hills won overwhelming support from neutral supporters and only Birkalla stood between a Grand Final berth and amazing Premier League promotion during the preliminary final.

But Birkalla had other ideas and took an early 1-0 lead.

Nonetheless, when Hills equalised in the 58th minute, it seemed that a dream could come true.

However, ten-man Hills couldn't hold on and Birkalla eventually won the tie 4-2 to set up a meeting with Knights.

RESUMÉ OF STATE LEAGUE CLUBS - 2001

Birkalla - (1ST minor premier-champion)

What more can be said about this club, which has managed to attract at times more interest than some Premier League clubs. New coach Milan Ivanovic knows that Premier League in 2002 will be a new ball game.

Para Hills - (2ND)

Coach Greg Mills and his assistant Noel Clarke have brought new-found enthusiasm to the Paddocks. Para Hills now need to take the next step and establish themselves in the 2002 Premier League.

Adelaide Hills - (3RD)

The Hills coaxed former Socceroos striker Steve Maxwell out of retirement and had its best State League season to date by taking the top 5 series by storm. Although Hills climbed the ladder, there is still a lot of work to accomplish before they can set Premier League in their sights.

Cumberland United - (4TH)

The Foxes found it hard to adjust to State League soccer after their shock exit from last year's Premier League. Despite some ordinary opening results, Cumberland slowly made its way up the State League ladder.

Western Strikers - (5TH)

Coach Nick Pantaras has mixed youth and experience to come up with a formula which might tackle the Premier League in the coming seasons. Strikers' striker Anthony Perrotta will be hard to keep after reports of him being sought by Premier League clubs.

Noarlunga United - (6TH)

At times the Bulldogs upset some of the bigger State League clubs, but dropping points to the State League's minnows might need to take the club back to the drawing board.

Northern Demons - (7TH)

The calibre of the Demons' squad failed to live up to expectations. One week the Demons were recording cricket scores and the next dropping 'certain' points.

Enfield City - (8TH)

Coach Tony LaScala had a huge job of rebuilding a young side. Enfield made an early charge for the top 5 but dropped off the pace towards the half way mark of the season.

Salisbury United - (9TH)

Despite the Salisbury Council area being in the middle of a soccer boom, the club has been unable to extend the success of its juniors to senior level. Salisbury was one of the regulars of Premier League soccer, and desperately need to rethink its strategies.

Adelaide Cobras - (10TH)

After an ordinary start to the season, the Cobras managed to gain some credibility towards the latter stages. At times stunning, the Cobras were too hot and cold to do any sort of damage to the State League.

Panthers - (11TH)

Still an infant club, Panthers are slowly putting strategies in place and with patience the club should grow to become a southern powerhouse. With a fine junior set up in place, the Panthers should start seeing some positive results.

Seaford - (12TH)

Seaford's season has been another to forget. This season it struggled to make any progress at State League level and despite the odds being stacked against them, the club still provided an outlet for many of the Southern areas young budding Soccer Stars.

WEST END FEDERATION CUP 2001

VAL MIGLIACCIO

Playford Patriots became the newly crowned Federation Cup champions with a stunning 3-0 win over Premier League champion Blue Eagles in cold September conditions at Hindmarsh Stadium.

Blue Eagles were odds on favourite to win their 7th Cup success since 1981, but Patriots surprised the star studded line up with a magnificent display.

Shane Pearce scored the best three goals of his life to destroy the hopes of a Blue Eagles' treble success.

Pearce scored his first of the match in the 43rd minute, before sealing the game with expert goals in the 48th and 66th minute.

The Cup didn't produce any surprises in round 1, but round 2 was a different story.

Amateur club Fulham United slogged its way into the quarter-final after beating Salisbury Villa 3-0 to

set up a meeting with Patriots.

Patriots had the wood over Fulham with a sound 2-0 win.

The semi-final produced two classical match ups. Cup holder Croydon Kings, who were struggling in the Premier League faced up to Blue Eagles.

And Birkalla was out to prove its worth in a showdown against Playford.

The Kings weren't able to defend their crown after going down 0-1 to Blue Eagles.

And, even though Birkalla was State League opposition for Playford, the Eagles were still favourites to win.

But Playford's renewed cup enthusiasm saw it overcome Birkalla 3-2 to set up its first major cup success under its new name, when it went on to beat Blue Eagles in the final.

NSL
OVERVIEW
2001/02

VAL MIGLIACCIO

Adelaide City Force had its most intense pre-season ever according to coach Zoran Matic when it toured the South Pacific Islands in September.

The gruelling pre-season in the tropics was set to push Force out of its customary slow start to the season, which has almost become as traditional as the club participating in the NSL finals.

Force announced the prized signings of imports Jaff Campbell (New Zealand), Petar Cestic (Serbia) and Grzegorz Lewandowski (Poland).

But in December all imports had disappeared back to their respective homes after president Bob D'Ottavi explained during a radio interview on 5RTI in January, that the European imports had cost the club too much in wages.

Campbell played only 22 minutes for Force against Olympic Sharks in a 0-1 loss in Sydney.

Campbell failed to live up to expectations after arriving with a debilitating groin injury in September.

Force then had to contend with its local talent Louis Brain and Nick Sabljak who appear to want out.

Brain went public about being unhappy at Force and his outburst appeared to upset Force hierarchy.

And Sabljak was asked to train with Force's premier league side, but declined and was still at loggerheads with the club in mid January.

And Force's departure lounge was almost full to capacity when Chief Executive Jeff Widera resigned in January.

However, Force's season kicked off in its usual style - cautiously.

After sitting out round 1 due to a bye, Force got off to a reasonable start when Melbourne Knights escaped with a 1-1 draw at Knights Stadium.

Round 2, saw a revitalised Northern Spirit smash and grab a point at Hindmarsh Stadium in a 2-2 draw, which disappointed Matic after the black and whites led the game twice only to be denied by some lacklustre defending.

Force travelled to Parramatta in round 4, and went down to Power after former captain Alex Tobin nailed his old side with a timely goal in the 66th minute. A bitter pill for Force to swallow.

Revamped Newcastle United came to town in round 5, and were headed for their first defeat of

the season, when Force's new signing Alex Moreira blasted two mesmerising goals past United goalkeeper Daniel Beltrame in the first half.

But Force capitulated in a disappointing second half and dropped a potential match winning two-goal lead to escape with a 2-2 draw.

United's Robert Middleby scored the equaliser in the 86th minute when his speculative 40m shot came across from the touchline and floated into the back of the net.

Force had to wait until round 6 in November before it ground out a solid 3-0 win over struggling reigning back-to-back champion Wollongong Wolves at Hindmarsh Stadium.

And for the first time Force's attacking duo Scott Tunbridge and Moreira gelled, by scoring all three goals.

But Force's first victory celebrations were cut short a week later when Olympic Sharks took maximum points in a 1-0 win.

Force's once powerful home record was under scrutiny in round 8.

Brisbane Strikers once again asked all the questions when they drew 1-1 with Adelaide and were a tad unlucky not to steal all three points.

NSL losing Grand Finalist South Melbourne slumped to the bottom of the table and were up against Force in round 9 at the Bob Jane Stadium.

Force was set to grab a rare Melbourne victory against its old foe when Nick Sabljak fired the black and whites in the lead in the 9th minute.

But South edged Force out of contention within the space of the last 19 minutes and snatched a 2-1 win.

A week later Marconi Stallions outplayed Force with a 2-1 victory.

Runaway leader Perth Glory gave Force a soccer lesson in the first half at Perth Oval and raced to a 3-0 lead before Scott Tunbridge gave Adelaide respectability with a well taken goal in the 56th minute.

Glory's Gary Faria ended Force's hopes with a goal in the 81st minute for Perth to win 4-1.

However, Force bounced back a week later and gave its fans an early Christmas present with an easy 3-0 win over Kingz.

At the halfway mark of the season Force was

languishing in 10th place with only 10 points.

The Force has acknowledged that it needs to rebuild its stocks after a successful 1990's.

Judging by some of the young local talent coming through the ranks, Force will once again become a powerhouse of Australian soccer if it can hold onto its "gold mine".

Teenager Iain Fyfe has been outstanding for

Force in defence this season and Matic has likened the tall timber to Alex Tobin in his younger years.

But Force has a number of teenagers who appear likely to make NSL grade providing they can continue to improve.

Names that sound could become Adelaide folklore include Adrian Pellegrino, Ivan and Mario Karlovic, Lucas Pantelis, Nick Budin and Aaron Goulding.
